QUICK HITS

GREAT EIGHT: Pac-12 schools occupy 8 spots in this week's AP Top 25, the most in conference history (previous high was 6, done multiple times). The Pac-12 becomes just the 2nd conference in the history of the AP Poll to have at least 8 schools ranked in the same week.

POWER WINS: The Pac-12 is 20-3 in non-conference games so far this season with by far the highest winning percentage (.870) among all conferences this season. The only 2 times a conference has finished with an .870 win percentage or better in the last 25 years was the SEC in 2018 (51-7, .879) and the Big 12 in 2011 (27-3, .900).

The 20-3 record includes a 6-3 (.667) mark against schools from other Power 5 conferences which is also the most non-conference wins and highest win percentage against Power 5 schools among all conferences this season. With just one remaining matchup with a Power 5 school this season (Washington at Michigan State), the Pac-12 has a chance to win 70% of its regular season non-conference games against Power 5 schools. That has happened only 3 times in the previous 10 years (minimum 10 games): 2014 Pac-12 (7-3), 2017 Pac-12 (7-3) and 2018 SEC (10-4).

Colorado and Utah are the only 2 schools in the country this season with 2 non-conference wins over Power 5 schools. Its the first time Colorado has opened with with 2 non-conference wins over current Power 5 schools since 1978 (Oregon, Miami, FL who was independent at the time). The last time Utah opened with 2 non-conference wins over Power 5 schools was in 2004 when they beat Texas A&M and Arizona on their way to a 12-0 season under Urban Meyer.

PASSING FANCY: Pac-12 quarterbacks continue to dominate the national leaderboards. The conference has 5 of the top 8 QBs in passing yards per game including the #1 (**Shedeur Sanders**, Colorado - 451.5) and #2 (**Michael Penix, Jr.**, Washington - 429.5) overall. USC's **Caleb Williams** leads the country in both passer rating (240.5) and pass TD (12). 4 of the 7 FBS quarterbacks who have thrown 70+ passes without an INT this season are from the Pac-12.

DEEP THREATS: Receivers across the conference have excelled as well, as Washington WR **Rome Odunze** is tied for tops in the nation with 6 receptions of 20+ yards with Arizona WR **Tetairoa McMillan** and Stanford TE **Benjamin Yurosek** right behind him with 5. Additionally, 6 of the 18 receivers in the country who average 100+ yards a game this season call the Pac-12 home, with Colorado's **Xavier Weaver** 3rd in the country with 144.0 ypg.

BIG PLAY BACKS: The Pac-12 is home to 3 of the 6 running backs in the country who are averaging at least 10.0 yards per carry (minimum 5 attempts/game). Stanford's **Casey Filkins** is 3rd in the country (11.8), followed closely by Oregon's **Bucky Irving** (10.5) and Oregon State's **Damien Martinez** (10.0).

WEEK FOUR: Game times and TV networks for Saturday, September 23 announced this week:

- 12:30pm PT / 1:30pm MT - #18 Colorado at #13 Oregon (ABC)
- 12:30pm PT / 1:30pm MT - #24 UCLA at #12 Utah (FOX)
- 4:00pm PT - #16 Oregon State at #23 Washington State (FOX)

TIEBREAKER PROCEDURES

Two-Team Tie

1. If two teams are tied for first place both teams will participate in the championship game and the winner of the head-to-head will be the #1 seed. If there is not a tie for first place, but two teams are tied for second place, the two-team tiebreaker policy will apply and the winner will be the #2 seed and visiting team.
 - a. If no game is played between the two tied teams or that game ends in a tie, the following tie-breaking procedures shall be applied.
2. Win percentage against the next highest placed common opponent in the standings (based on record in all games played within the Conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
3. Win percentage against all common conference opponents.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule).
5. Total number of wins in a 12-game season. The following conditions will apply to the calculation of the total number of wins:
 - a. Only one win against a team from the NCAA Football Championship Subdivision or lower division will be counted annually.
 - b. Any games that are exempted from counting against the annual maximum number of football contests per NCAA rules. (current Bylaw 17.10.5.2.1) shall not be included.
6. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
7. Coin toss

Multiple-Team Ties

In the event of a tie between more than two teams, the following procedures will be used. After one team has an advantage and is “seeded”, all remaining teams in the multiple-team tie-breaker will repeat the multiple-team tie-breaking procedure. If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedure will be applied.

1. Head-to-head (best cumulative win percentage in games among the tied teams). If not every tied team has played each other, go to step 2.
2. Win percentage against all common conference opponents (must be common among all teams involved in the tie)
3. Record against the next highest placed common opponent in the standings (based on record in all games played within the conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule)
5. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
6. Coin toss
