

Stanford Men's Cross Country

Note: This list is meant to record every individual to race for Stanford cross country. In years where complete season results were unavailable, names were taken from rosters, yearbooks, and newspaper clippings. It is unclear when Stanford men's cross country began as an intercollegiate sport. For the 2020-21 academic year, the year listed is 2020, though actual races were in the spring of 2021, to avoid confusion of seasons. For additions or deletions for the years covered, contact David Kiefer at dkiefer@stanford.edu.

Stanford Women's Cross Country

Note: This list is meant to record every individual to race for Stanford cross country. In years where complete season results were unavailable, names were taken from rosters, yearbooks, and newspaper clippings. The women's program began in 1976. For the 2020-21 academic year, the year listed is 2020, though actual races were in the spring of 2021, to avoid confusion of seasons. For additions or deletions for the years covered, contact David Kiefer at dkiefer@stanford.edu.
