## QUICK HITS

**BAKERS DOZEN:** Pac-12 schools won all 12 of their games in Week One and, along with USC's win in Week Zero, are a combined 13-0 so far this season with 8 of the 13 wins by 20+ points. It's the most wins without a loss by any FBS conference through Week One since at least 1980 according to STATS Perform. It's also the first time since 1932 that every Pac-12 school won its season opener, according to ESPN Stats & Info.

This week, Pac-12 schools will face off with seven non-conference games against Power 5 opponents. According to the AP, that's the fifth time since 2013 that a Power 5 conference has played that many non-conference games against other Power 5 schools.

**TRULY OFFENSIVE:** The Pac-12 leads all FBS conferences in PPG (46.5), total YPG (513.2), and scrimmage yards per touch (8.8). According to SportsSource Analytics, Pac-12 schools have scored on 57% of their drives and only had turnovers on 9.8% of their drives, both tops in FBS.

In the 8 games on Saturday, Pac-12 schools scored 52.6 PPG which according to STATS Perform is the only time in the last 40 years that any FBS conference has had its teams average 50.0+ PPG in a single day (minimum 8 teams in action).

**QB CENTRAL:** At the forefront of those offenses is highly skilled quarterback play, with a combined 72.7 completion percentage, 9.68 yards per attempt and 13.32 yards per completion which were all tops in FBS with 43 pass TD to 5 interceptions.

- Colorado's **Shedeur Sanders** threw for a school-record 510 pass yards as then #17 TCU, which is the most by a Pac-12 QB ever in their FBS debut.
- Washington's **Michael Penix Jr.** had 450 pass yards and 5 pass TD against Boise State, giving him 3 of the 4 highest passing yards in a game in UW history. Penix Jr. had 11 completions of 20+ yards last week tying him for the most total this season with USC's **Caleb Williams** who has 11 over 2 games.
- Williams meanwhile has 9 passing TD in those 2 games, giving him 4+ pass TD in 7 of his 16 games with the Trojans.
- Washington State's **Cameron Ward** racked up 451 passing yards against Colorado State, his most in a Cougars uniform and the most by a WSU QB since 2019.
- Oregon's **Bo Nix** completed 23-27 (85.2%) for 287 yards and 3 scores in just over a half of play as the Ducks put up the school's modern day record of 81 points and their largest margin of victory (+74) since 1916.
- Oregon State's **DJ Uiagalelei** impressed in his debut after transferring from Clemson, becoming the first Beavers QB since at least 1996 to throw for 3 TD and run for 2 more in the same game.
- **Jaden Rashada** had 236 passing yards as he became the 2nd Sun Devil true freshman to start a season opener while at UCLA, true freshman **Dante Moore** impressed off the bench going for 20.4 yards per completion and 2 scores on just 12 attempts.
- Cal's **Ben Finley** replaced the injured **Sam Jackson V** and racked up 279 passing yards as the Golden Bears put up the most points (58) and total yards (669) of the Justin Wilcox era.

## TIEBREAKER PROCEDURES

### Two-Team Tie

1. If two teams are tied for first place both teams will participate in the championship game and the winner of the head-to-head will be the #1 seed. If there is not a tie for first place, but two teams are tied for second place, the two-team tiebreaker policy will apply and the winner will be the #2 seed and visiting team.
  - a. If no game is played between the two tied teams or that game ends in a tie, the following tie-breaking procedures shall be applied.
2. Win percentage against the next highest placed common opponent in the standings (based on record in all games played within the Conference), proceeding through the standings.
  - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
3. Win percentage against all common conference opponents.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule).
5. Total number of wins in a 12-game season. The following conditions will apply to the calculation of the total number of wins:
  - a. Only one win against a team from the NCAA Football Championship Subdivision or lower division will be counted annually.
  - b. Any games that are exempted from counting against the annual maximum number of football contests per NCAA rules. (current Bylaw 17.10.5.2.1) shall not be included.
6. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
7. Coin toss

### Multiple-Team Ties

In the event of a tie between more than two teams, the following procedures will be used. After one team has an advantage and is “seeded”, all remaining teams in the multiple-team tie-breaker will repeat the multiple-team tie-breaking procedure. If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedure will be applied.

1. Head-to-head (best cumulative win percentage in games among the tied teams). If not every tied team has played each other, go to step 2.
2. Win percentage against all common conference opponents (must be common among all teams involved in the tie)
3. Record against the next highest placed common opponent in the standings (based on record in all games played within the conference), proceeding through the standings.
  - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule)
5. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
6. Coin toss
