Bye Week: Arizona, California, Colorado, Oregon State

QUICK HITS

SEVEN UP: The Pac-12 has 7 teams in this week's AP Top 25, the third time this season they have placed at least 7 teams in the poll. Prior to this season, the conference had never had more than 6 teams ranked in the same week.

This is also the 4th straight week the Pac-12 has had at least 3 teams ranked in the Top 10. That's the longest streak for the conference since the final 4 polls of the 2011 season.

CRAZY EIGHTS: This week also boasts a match-up of 2 of the top 8 teams in the country with #8 Oregon at #7 Washington. It's the 8th time since 2000 that a pair of Pac-12 schools ranked in the Top 8 have faced off with last coming in the 2014 Pac-12 Championship Game when #3 Oregon defeated #8 Arizona.

This will be the 115th all-time match-up between the Ducks and Huskies and the first ever with both teams in the Top 10.

HIGH FIVES: 2 Pac-12 quarterbacks threw 5 touchdowns last week, becoming the 3rd and 4th QB's from the conference to throw for 5 or more scores in a game this season.

Oregon State's **DJ Uiagalelei** was 19-25 for 275 yards at California and matched his career-high after throwing 5 touchdowns at Wake Forest last season. In fact, all 5 of Uiagalelei's career games with 3+ passing TD have all come on the road. The 5 touchdowns are also the most by a Beavers QB since Jake Luton did it twice in 2019.

Arizona's **Noah Fifita** became the first Power 5 freshman to throw 5 touchdowns in a game this season. Filling in for the injured **Jayden de Laura** (who had 6 TD against Colorado last year), Fifita also threw for 303 yards in the overtime thriller at then #9 USC making Arizona 1 of 2 schools (along with Utah State) to have multiple quarterbacks with a 300-yard game this season.

TOP OF THE CHARTS: Pac-12 quarterbacks continue to dominate the national rankings with different signal-callers sitting atop national leaderboards in various statistics:

- 3 of the Top 9 in passing yards (Colorado's **Shedeur Sanders** #1)
- 3 of the Top 6 in passing YPG (Washington's **Michael Penix Jr.** #1)
- 4 of the Top 8 in passing TD (USC's **Caleb Williams** #1)
- 3 of the Top 8 in completion % (Oregon's **Bo Nix** #1)
- 3 of the Top 5 in passing efficiency (USC's **Caleb Williams** #1)

THE GREAT WIDE OPEN: Last week saw a pair of great performances from a WR from the Arizona schools.

Arizona's **Jacob Cowing** set a school record with 4 receiving touchdowns against USC, becoming the first Pac-12 player with 4 receiving scores since USC's Amon-Ra St. Brown had 4 against Washington State in 2020.

Arizona State's **Elijah Badger** had 12 receptions against Colorado, the most by any Pac-12 player this year and tops among Sun Devils since 2017 when N'Keal Harry had 13 against Texas Tech.

TIEBREAKER PROCEDURES

Two-Team Tie

1. If two teams are tied for first place both teams will participate in the championship game and the winner of the head-to-head will be the #1 seed. If there is not a tie for first place, but two teams are tied for second place, the two-team tiebreaker policy will apply and the winner will be the #2 seed and visiting team.
 - a. If no game is played between the two tied teams or that game ends in a tie, the following tie-breaking procedures shall be applied.
2. Win percentage against the next highest placed common opponent in the standings (based on record in all games played within the Conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
3. Win percentage against all common conference opponents.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule).
5. Total number of wins in a 12-game season. The following conditions will apply to the calculation of the total number of wins:
 - a. Only one win against a team from the NCAA Football Championship Subdivision or lower division will be counted annually.
 - b. Any games that are exempted from counting against the annual maximum number of football contests per NCAA rules. (current Bylaw 17.10.5.2.1) shall not be included.
6. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
7. Coin toss

Multiple-Team Ties

In the event of a tie between more than two teams, the following procedures will be used. After one team has an advantage and is “seeded”, all remaining teams in the multiple-team tie-breaker will repeat the multiple-team tie-breaking procedure. If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedure will be applied.

1. Head-to-head (best cumulative win percentage in games among the tied teams). If not every tied team has played each other, go to step 2.
2. Win percentage against all common conference opponents (must be common among all teams involved in the tie)
3. Record against the next highest placed common opponent in the standings (based on record in all games played within the conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule)
5. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
6. Coin toss
