Bye Week: None

QUICK HITS

PAC IS STACKED: For the 8th straight week, the Pac-12 has at least 6 teams in the AP Top 25 which is the longest streak in conference history. Dating back to last season, the Pac-12 has had at least 6 teams ranked in 14 of the last 15 polls. The Pac-12 is the only team with 4 teams in the top 13 and their 6 ranked teams is tied for the most in the country this week.

BOWL-A-RAMA: The Pac-12 already has 5 teams that are bowl-eligible, tied for the most of any conference.

Bowl Eligible: Washington, USC, Oregon, Oregon State, Utah

Needs 1 win: UCLA

Needs 2 wins: Arizona, Colorado, Washington State

Needs 3 wins: California

Needs 4 wins: Stanford

BO KNOWS: Oregon QB **Bo Nix** was selected as 1 of the 16 finalists for this year's William V. Campbell Trophy, college football's premier scholar-athlete award that annually recognizes an individual as the absolute best in the nation for his combined academic success, football performance and exemplary leadership. On top of his 3.62 GPA, Nix is one of the leading contenders for this year's Heisman Trophy. The last Pac-12 player to win this award was fellow Oregon QB Justin Herbert in 2019.

COMING UP ROSES: The Tournament of Roses announced their inductees for the Rose Bowl Hall of Fame Class of 2023 this week, led by former Washington OT **Lincoln Kennedy**. The 1992 unanimous All-American appeared in 3 Rose Bowls, winning 2 (1991 vs. Iowa, 1992 vs. Michigan). Already a member of the College Football Hall of Fame, Kennedy will be joined in this class by ESPN/ABC broadcaster Kirk Herbstreit and former Columbia head coach Cliff Montgomery.

TOP DAWGS: For the first time since the 2018 Pac-12 Championship Game, Washington won a game without an offensive touchdown, 15-7 over Arizona State. The Huskies lone trip to the end zone came courtesy of a 89-yard interception return from CB **Mishael Powell**. For his efforts, Powell was named Pac-12 Defensive Player of the Week along with the national Walter Camp Defensive Player of the Week, a first for UW since 2016 when 2 Huskies were honored (Psalm Wooching & Azeem Victor)

VICTOR'S VECTOR: Washington State WR **Lincoln Victor** racked up 16 receptions for 161 yards Saturday at Oregon. Victor set the school record for receptions in a game (previous was 15 by Vince Mayle in 2014) and tied for the most in FBS this season (Colorado State's Tory Horton at Colorado).

BACK TO 'BACKS: A league known for its quarterbacks is also showing off at the running back position. USC's **MarShawn Lloyd** and Oregon's **Bucky Irving** rank 1-2 nationally in yards per carry this season with Lloyd's 7.9 edging Irving's 7.5.

The last time a conference has finished a season 1-2 in this statistic was in 2018 when Memphis' Darrell Henderson and UCF's Greg McCrae of the AAC led the country. The last Pac-12 back to lead the country in yards per carry was former Arizona State star (and current Tampa Bay Buccaneers) Rachaad White, who had 10.0 ypc in a COVID-shortened 4-game 2020 season.

TIEBREAKER PROCEDURES

Two-Team Tie

1. If two teams are tied for first place both teams will participate in the championship game and the winner of the head-to-head will be the #1 seed. If there is not a tie for first place, but two teams are tied for second place, the two-team tiebreaker policy will apply and the winner will be the #2 seed and visiting team.
 - a. If no game is played between the two tied teams or that game ends in a tie, the following tie-breaking procedures shall be applied.
2. Win percentage against the next highest placed common opponent in the standings (based on record in all games played within the Conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
3. Win percentage against all common conference opponents.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule).
5. Total number of wins in a 12-game season. The following conditions will apply to the calculation of the total number of wins:
 - a. Only one win against a team from the NCAA Football Championship Subdivision or lower division will be counted annually.
 - b. Any games that are exempted from counting against the annual maximum number of football contests per NCAA rules. (current Bylaw 17.10.5.2.1) shall not be included.
6. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
7. Coin toss

Multiple-Team Ties

In the event of a tie between more than two teams, the following procedures will be used. After one team has an advantage and is “seeded”, all remaining teams in the multiple-team tie-breaker will repeat the multiple-team tie-breaking procedure. If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedure will be applied.

1. Head-to-head (best cumulative win percentage in games among the tied teams). If not every tied team has played each other, go to step 2.
2. Win percentage against all common conference opponents (must be common among all teams involved in the tie)
3. Record against the next highest placed common opponent in the standings (based on record in all games played within the conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule)
5. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
6. Coin toss
