QUICK HITS

TOP OF THE CHARTS: Pac-12 schools once again occupy 8 spots in this week's AP Top 25, the most in conference history (previous high was 6, done multiple times). 5 of the 8 schools moved up at least one spot with 4 of them moving up multiple spots. The Pac-12 has 4 schools ranked in the Top 11 for the first time since 2001.

BIG TIME SATURDAY: Of the 6 AP Top 25 matchups in football this week, 3 of them are Pac-12 conference games which is the most ever in one week for the Pac-12. In fact, since 1980 this is only the 10th time that any conference has had 3 Top 25 conference matchups in the same week with the last time coming with the SEC in October 2016.

This will be the first time that Oregon State and Washington State will face off as ranked opponents.

THAT DAWG IN HIM: Washington QB **Michael Penix Jr.** earned national recognition this week as the Maxwell Award Player of the Week, the Walter Camp Offensive Player of the Week and the Davey O'Brien QB of the Week after leading the Huskies to a 41-7 win at Michigan State.

Penix threw for 473 yards (the 3rd most in school history) and 4 passing touchdowns with 375 of those yards and all 4 scores coming before halftime. The Tampa, Florida native now owns the top 3 and 4 of the top 5 passing performances in school history.

With 1,332 pass yards and 12 passing touchdowns so far this season, Penix is just the 6th Power 5 QB since 1996 to reach 1,300 yards and 12 TD through the first 3 games.

MOORE, MOORE, MOORE: UCLA QB **Dante Moore** has had an instant impact in Westwood, leading all FBS freshmen in pass TD (7), yards per attempt (12.1), yards per completion (19.2) and QB rating (205.4) while ranking 3rd in pass yards (615).

This week, Moore looks to become the first true freshman to win at Utah since Oregon's Justin Herbert in 2016 when Herbert threw a game-winning touchdown to Darren Carrington II with 2 seconds left in the game.

CANTON CALLING?: The Pro Football Hall of Fame announced their nominees for 2024 with 21 of the 173 coming players from Pac-12 schools including representatives from 11 of the 12 schools.

TIEBREAKER PROCEDURES

Two-Team Tie

1. If two teams are tied for first place both teams will participate in the championship game and the winner of the head-to-head will be the #1 seed. If there is not a tie for first place, but two teams are tied for second place, the two-team tiebreaker policy will apply and the winner will be the #2 seed and visiting team.
 - a. If no game is played between the two tied teams or that game ends in a tie, the following tie-breaking procedures shall be applied.
2. Win percentage against the next highest placed common opponent in the standings (based on record in all games played within the Conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
3. Win percentage against all common conference opponents.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule).
5. Total number of wins in a 12-game season. The following conditions will apply to the calculation of the total number of wins:
 - a. Only one win against a team from the NCAA Football Championship Subdivision or lower division will be counted annually.
 - b. Any games that are exempted from counting against the annual maximum number of football contests per NCAA rules. (current Bylaw 17.10.5.2.1) shall not be included.
6. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
7. Coin toss

Multiple-Team Ties

In the event of a tie between more than two teams, the following procedures will be used. After one team has an advantage and is “seeded”, all remaining teams in the multiple-team tie-breaker will repeat the multiple-team tie-breaking procedure. If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedure will be applied.

1. Head-to-head (best cumulative win percentage in games among the tied teams). If not every tied team has played each other, go to step 2.
2. Win percentage against all common conference opponents (must be common among all teams involved in the tie)
3. Record against the next highest placed common opponent in the standings (based on record in all games played within the conference), proceeding through the standings.
 - a. When arriving at another group of tied teams while comparing records, use each team’s win percentage against the collective tied teams as a group (prior to that group’s own tie-breaking procedure) rather than the performance against individual tied teams.
4. Combined win percentage in conference games of conference opponents (ie, strength of conference schedule)
5. Highest ranking by SportSource Analytics (team Rating Score metric) following the last weekend of regular-season games.
6. Coin toss
