

SUNY Orange Policy Manual

Policy Number	Policy Title
BP2.31	Sustainable Capital Construction

On all new construction projects of 20,000 square feet or larger, SUNY Orange will employ all means possible to attain standards set forth by the United States Green Council for Leadership in Energy and Environmental Design (LEED) certification at the Silver Level or higher. This policy assures SUNY Orange adherence to New York State Executive Order 111 that requires all State University of New York construction projects meet minimum LEED certification standards.

The Board of Trustees directs the President to develop such procedures as to fairly implement this policy.
