RE: California State University Stanislaus STARS Report Submission 2020

Dear AASHE Staff and STARS Steering Committee,

As members of Stanislaus State's Council for Sustainable Futures, we affirm that we have conducted a review of the STARS report in full, that staff in the sustainability program of the Capital Planning and Facilities Management department have responded to inconsistencies and errors identified by our team, and that the necessary changes have been made to the report where revision was required prior to submission.

We further attest that we have not been involved with the collection of any data for California State University Stanislaus' (Stanislaus State) STARS report.

Sincerely,

Julia Sankey
