RE: California State University Stanislaus STARS Report Submission 2020

Dear AASHE Staff and STARS Steering Committee,

We affirm that we have conducted an external review of the California State University Stanislaus (Stanislaus State) STARS report in full, that the Stanislaus State Sustainability Coordinator has responded to inconsistencies and errors identified by our team, and that the necessary changes have been made to the report where revision was required prior to submission.

We further attest that we have not been involved with the collection of any data for California State University Stanislaus' STARS report.

Sincerely,

Ryan Todd
