OVERALL CAMPUS PRIDE INDEX SCORE ★★★★★ 4 of 5

The Campus Pride Index has a strong theoretical research foundation in LGBTQ current programs, practices and policies for safer, more inclusive campus learning environments. The index tool has been tested extensively since 2001 and recently updated with new, higher LGBTQ national benchmarks in 2015.

The Campus Pride Index is a vital tool for assisting campuses in learning ways to improve their LGBTQ campus life and ultimately shape the educational experience to be more inclusive, welcoming and respectful of LGBTQ and ally people. The index is owned and operated by Campus Pride, the leading national nonprofit organization for student leaders and campus groups working to create safer, more LGBTQ-friendly learning environments at colleges and universities. Campus Pride commends the campuses participating in the index and their willingness to come out, be visible and actively advocate for improving higher education for LGBTQ people.
