STARS Steering Committee
Association for the Advancement of Sustainability in Higher Education
2401 Walnut Street, Suite 101
Philadelphia, PA 19103

To Whom it May Concern,

This letter is to affirm my completion of the internal review of Seneca Polytechnic's 2023 application for the AASHE STARS certification. The 2.2 STARS Review Template was utilized for this internal review. Upon reviewing the institution's responses to the review as shown on the review template, I confirm that any identified issues in the report have been resolved.

Sincerely,

Emily Zabanah
Sustainability Project & Research Assistant
