In the 2019-2020 orientation day, eco-friendly shopping bags have been distributed in the aim to raise the level of the sustainability awareness. In addition, to two brochures on the recycling and the Sustainability Office. Also, in 2020/2021, it was planned to distribute refillable water bottles but due to the breakout of COVID19, it has been stopped.

Think Green!

Think Green, is a campaign at the University of Sharjah to reduce the amount of waste generated by plastic bags every day. The University of Sharjah's Recycling Program has recognized the vast amounts of disposable plastic bags in the recycling bins and the trash as well thus providing eco-friendly bags for its staff and students.

WASTE LESS PLASTIC

Refusing to use plastic whenever you can is a great first step to cutting down on plastic pollution. Here are our top tips:

1. Bring your own bottle
2. Bring your own bag
3. Bring your own cup
4. Bring a packed lunch
5. Use a cloth nap or wipe
6. Say no to plastic straws
7. Choose loose fruit & veg
8. Choose glass packaging
9. Recycle your plastic waste

EASY ECO TIPS

Stop killing the planet and say NO to plastic bags

Start using eco-friendly bags

2- Sustainable and Renewable Energy Engineering (SREE) Open Day:

All entering students (including transfers) are invited to the freshmen day at the beginning of each semester (SREE open day), organized by the SREE club.
