University of Sharjah's Transportation Unit Services
<https://www.sharjah.ac.ae/en/Administration/BS/Pages/Transportation-Unit.aspx>

Sharjah University City's Transport Service Website
<https://universitycity.gov.ae/en/transport/>

Description:

University of Sharjah’s students and staff are served by two free (no cost to students and staff) bus services: (1) Sharjah University City bus, which transports students and staff to campus from designated stops throughout the City of Sharjah; and (2) University of Sharjah’s shuttle service, which transport students and staff between the various buildings and campuses inside the University of Sharjah. Both shuttle/bus services continued to operate as scheduled despite the fact that bus ridership has significantly dropped.

Zero Emission Vehicles Policy Evidence

Example of Electric Golf Cart Used by Facilities Department

Example of Electric Scooter Used Around Campus

Example of a Bike Rack at UoS Men Campus

Description:

University of Sharjah's Facilities Department uses 20 electric golf carts to move its maintenance staff around the campus. The service of another six similar vehicles are provided to move female students from the dorms to their classrooms. A number of faculty members and students use scooters and bicycles to move from their houses and dorms to their classes and offices. The University of Sharjah provides a number of bicycle tracks around the campus.

Pedestrian Path on Campus Evidence

Example of Covered Pedestrian Corridor

Example of Palm-Tree Pathways

UoS is currently implementing a project to ensure continuity in pedestrian sidewalks

Disabled-friendly Ramps

Description:

University of Sharjah's provides covered walking pathways/corridors to make it more convenient for its students and staff to walk from one building to another around the campus. Currently, the University is re-constructing some of its sidewalks to ensure pedestrians can have continuous and safe pathways.
