

E-Waste Recycling

Ink & Toner Cartridges

On the U of A campus we have free and simple ways to be responsible and make sure empty cartridges don't end up in a landfill. They will recycle all of your ink and toner cartridges **regardless of brand**. Plus there's three ways to do it, making it easier than ever to do your part.

- **Driver pickup program:** Next time you get a Staples delivery their driver will collect any brand of cartridges for you. Place them in a reused box for bonus points.
- **Prepaid return mailing label:** Mail your cartridges back for free. Simply print your label at StaplesAdvantage.com/recyclinginktoner.
- **Clover Toner Cartridge Recycling Box:** Add the SKU (984666) to your next Staples order to receive prepaid shipping boxes for recycling cartridges. Put your empty cartridges in and ship for free.

The U of A Computer Store will also accept your ink and toner cartridges and can be placed in bins that are found at the loading dock on the northeast corner of their store.

Electronics & Batteries

The U of A Computer Store handles recycling of batteries, computers, cell phones, and more. Bins that accept these items can be found on the loading dock on the northeast corner of the bookstore (Same area where ink and toner cartridges can be dropped off).

Items that can be recycled include:

Computers, Laptops, Printers, Copiers, Scanners, Servers, Cell Phones, Tablets, TVs

Excludes:

Any electronics with fluid, CRT monitors/televisions, LCD monitors/televisions, Solder pastes/solder guns, Bio-fluids/medical equipment

University-owned equipment cannot be dropped off; if you need to dispose of University owned equipment please visit surplus.uark.edu for more information.
