Mat,

Thank you for the opportunity to have Katarina and I review the STARS/AASHE submission on behalf of University of Waterloo. Our Sustainability Office at Wilfrid Laurier University is honoured to support you and your team in this endeavour.

As an attestation of the effort, we would like to confirm that you have reconciled all our collective comments and proposed revisions in your current iteration of the STARS/AASHE submission for the University of Waterloo. Please utilize this email as an affirmation that you have addressed any inconsistencies and errors that we both identified during our review period.

Please let me know if you require any additional information / support related to this review effort.

Best regards,

Eric Meliton
