

General RFP Sustainability Language

Loyola University Maryland is committed to the principles of diversity and equal opportunity in all its endeavors and applies this principle in its procurement activity with the objective of encouraging participation by qualified suppliers. Loyola makes every effort to maximize competitive procurement opportunities by soliciting competitive bids / proposals and is committed to ensuring equal procurement opportunity.

Loyola University Maryland is committed to sustainable procurement practices that include the responsible sourcing of materials, products, and services with consideration of the lifecycles of materials and products used directly by the university and service providers. Loyola gives preference to materials, products, and services that promote environmental and social benefits and advance our campus sustainability goals, including reduction of waste, while meeting the requirements of bids/proposals.

MINORITY BUSINESS ENTERPRISE (MBE) NOTICE:

Minority business enterprises are encouraged to respond to this solicitation.

Loyola University, Maryland Inc. supports the statewide MBE program and invites the participation of minority businesses in this business opportunity. Minority Business Enterprises (MBE) contractors are encouraged to obtain certification from the Maryland Department of Transportation (MDOT). Any questions, related to certification, may be directed to the Maryland Department of Transportation's (MDOT), Minority Business Enterprise (MBE) Program at 1-800-544-6056.
