**Re: Sustainability Tracking, Assessment and Rating System (STARS) Internal Review –
Reviewer Affirmation**

Dear Sir or Madam:

This letter is to affirm that the British Columbia Institute of Technology (BCIT) submission for the Sustainability Tracking, Assessment and Rating System (STARS) has been reviewed in full internally. I was not directly involved in the data collection process for the credits I reviewed. Identified inconsistencies and errors were reported in the STARS 2.2 Review Template for the relevant credits.

The BCIT STARS Liaison, Christine Pinkham, has successfully addressed the issues and has updated the Reporting Tool and documented the changes in the Review Template.

Sincerely,

Agathe
