Footnotes:

1. First-Time Freshman students are first-time classified BA seeking students. Excludes DARCH and second BA seeking students.
2. Transfer-in students are students who transfer external or internal UH credits to another UH campus. Students are tracked at each campus where they registered as their home campus. A student can only belong to either a first-time or a transfer cohort.
3. Full-time attendance status is defined as undergraduate students taking 12 or more semester hours. Part-time attendance status is defined as undergraduate students taking less than 12 semester hours. A student's status is based on their first fall semester status at the campus.
4. Exclusions are students who are deceased that are excluded from the cohort.
5. Graduation rates are cumulative.
6. For first-time freshman, once students are counted as graduated, subsequent enrollments are no longer counted.
