

AASHE STARS Letter of Affirmation
Pre-Submission Review

January 22, 2024

To Whom It May Concern,

This message is to confirm that I carried out two reviews of McGill University's STARS submission. I concluded that much of each credit category was completed without outstanding issues. Areas that would benefit from a further reading by AASHE STARS staff are indicated in the review template and include my questions and comments:

AC 1: Academic Courses
AC 2: Learning Outcomes
EN 3: Student Life
EN 12: Continuing Education
OP 7: Food & Beverage Purchasing
PA 12: Employee Compensation

I can be contacted at vho@ocadu.ca with any questions or concerns.

Sincerely,

Victoria Ho
