CENTRAL SUSTAINABILITY WEBSITE

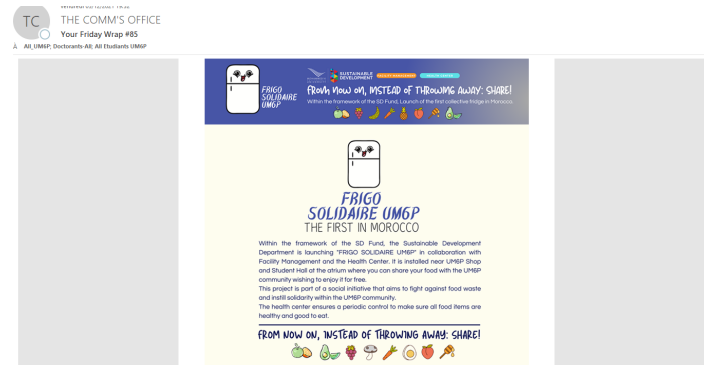

um6p.sd.ma is the official website of the sustainable development department of UM6P. It englobes all the projects, guides, institutional policies, commitments, and the action plan of the SD Framework of the University. It is developed by 1337 students with the department follow-up.

SUSTAINABILITY NEWSLETTER OR SOCIAL MEDIA PLATFORM THAT FOCUSES SPECIFICALLY ON CAMPUS SUSTAINABILITY

FRIDAY WRAP UP

Each Friday, All UM6P community receives a wrap-up of news all over the campus to highlight launching projects as well as institutional or strategic news of the University. In the 85 edition, 84 editions mentioned Sustainable development news, rojects, campaigns, sd practices.. etc.

MONTHLY SUSTAINABILITY EVENT NEWSLETTER

Sustainability events and opportunities newsletter is a monthly sum-up of webinars, conferences, summits, calls for papers...etc. related to sustainable development. It aims to share with the UM6P community latest opportunities or offers all over the globe to expand your network to other high institutions/organizations and gain knowledge from international experts.

RADIO UM6P

UM6P has a radio frequency available and accessible to everyone through a public link. The Sustainable Development Department and the Communication Office collaborated to launch three broadcasting programs.

1. Minute DD – SD Minute
2. Meet your UM6P SD Ambassadors
3. SDGs Host-Talks

SOCIAL MEDIA

The Sustainable Development Department uses Social Media to disseminate aspects of sustainability at the campus, to broadcast the latest news related to sustainability and to promote events and highlight students' sustainable initiatives.

SIGNAGE THAT HIGHLIGHTS SUSTAINABILITY FEATURES ON CAMPUS

"Sustainability guaranteed" signage is found wherever there is a sustainability aspect in the University Infrastructure. It is also a Label for the deployment of the green and eco-friendly events.

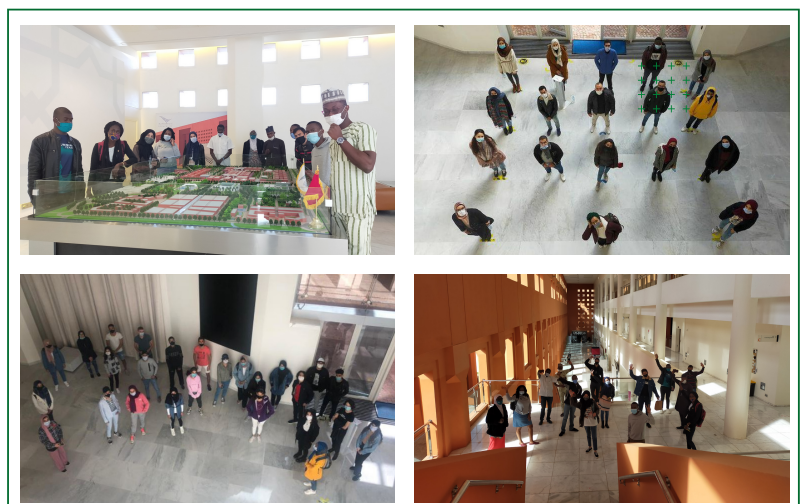

SUSTAINABILITY WALKING MAP OR TOUR UM6P GREEN MAP

With the collaboration of the Sustainable Development and Comms Office, UM6P GREEN MAP has been conceived to :
Highlight the efforts invested in terms of SD, mainly in its environmental constituent;
Increase information availability and visibility of certain services to increase the awareness of the UM6P community of SD issues;
Encourage the UM6P community to put forward initiatives to strengthen the presence of SD.

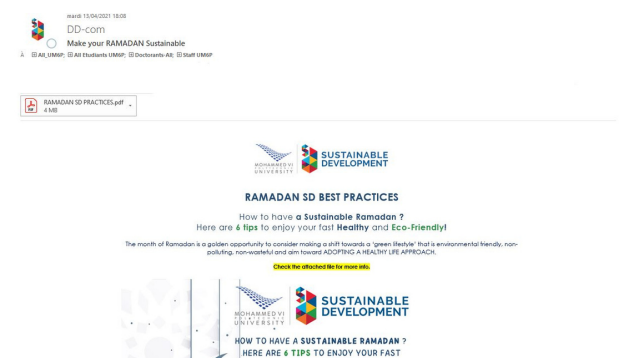

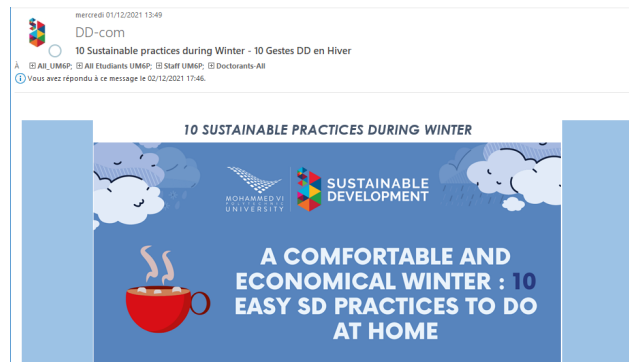

SD AMBASSADORS GREEN TOURS

The sustainable development ambassadors organize green or sustainable tours for the new students at the beginning of the academic year to highlight all the sustainability aspects of the University to them.

GUIDE FOR GREEN LIVING AND/OR INCORPORATING SUSTAINABILITY INTO THE RESIDENTIAL EXPERIENCE

SD BEST PRACTICES

Through this charter, UM6P shares its commitment with its suppliers and subcontractors to ensure their involvement in sustainable development.

10 SD PRACTICES DURING WINTER

Through this charter, UM6P shares its commitment with its suppliers and subcontractors to ensure their involvement in sustainable development.

ECO-RESPONSIBLE PURCHASING CHARTER

Through this charter, UM6P shares its commitment with its suppliers and subcontractors to ensure their involvement in sustainable development.

GREEN EVENTS ORGANIZATION GUIDE

The objective through this guide is to encourage the UM6P community to adopt SD best practices when organizing events and thus benefit from the Label "Sustainability Guaranteed".

SD RAMADAN PRACTICES

The month of Ramadan is a golden opportunity to consider making a shift towards a 'green lifestyle' that is environmentally friendly, non-polluting, non-wasteful, and aims toward adopting a healthy living approach. 6 SD Tips were shared with the UM6P community.
