

EXPEDITION BAHAMAS

OCEAN WATER SKILLS BAHAMAS WINTER EXPEDITION

Join the Outdoor Recreation Management program for the Ocean Water Skills Bahama Winter Expedition. Sail, paddleboard, scuba dive, and fly fish on the flats in the Bahamas. Stay overnight on a catamaran exploring the Exuma Islands all while obtaining American Sailing Association and Professional Association of Diving Instructors (PADI) certifications.

This interdisciplinary course offered Fall 2022 takes an experiential approach to ocean technical skills culminating in a two-week travel experience December 10–21, 2022.

For more information, contact Dr. Katie Wall.
