## USF FOOD PANTRIES

### OVERVIEW

With the coronavirus pandemic, many of our students have jobs that have been suspended due to closures or limited hours of operation and therefore are experiencing loss of income. To assist those who cannot afford groceries, the food pantries on each of our campuses are ramping up operations in anticipation of the increased need by our students. To have food delivered to the campus pantry of your choice, please use the Amazon Wish List on the individual campus site.

To make a contribution to any of the pantries, please use the links below:
