No. Open Field Responses:
Father O'Connell
I have to drive from my office in O'Boyle to teach a class in Gibbons because of mobility restrictions that are unpredictable (they are new and I have not applied for a disabled parking permit). I can have trouble parking within any easy distance of Gibbons.
Engineering (Pangborn Hall)
I park near Gibbons Hall (near Basilica) and Mullen Library. I will turn 80 in Dec. 2019. I'm still publishing.
I do not have a parking problem I'm coming to work before 7:30 am
