

Yes, for applicable RFx's we include the following questions: 1. Approach to Sustainability: Provide a brief, high level description of your company's approach to sustainability (e.g., philosophy, established policy statement, green procedures in place, etc.). 2. Resource Efficiency: What programs do you have in place for promoting resource efficiency? 3. Monitor Supply Chain: What policies are in place to monitor and manage your supply chain for environmental, worker rights, and other sustainability-related risks? 4. Sustainable Packaging: What types of packaging and shipping materials do you use? 5. Shipping: What does your company do to minimize the environmental costs associated with shipping? 6. Energy Efficiency: To what extent do you ensure products you sell are energy efficient and/or EPEAT certified?
