CAMPUS FACILITIES

The Robina campus is not only be a place of learning for our students, but a place for the community to come together. Students practice their new-found skills, connecting with the local community at our live training facilities. These include:

TQ Fitness

The fitness centre offers a full service gymnasium, affordable personal training and group classes at competitive memberships prices

Seedpod Café

The ground floor café offers a place for students and locals to connect with healthier menu options

Green Fields Bar + Restaurant

The restaurant offers contemporary dining with amazing views for lunch and dinner

REC: Robina Events Centre

The conference and banquet centre can host events for up to 300 people for seminars and 200 for banquet meals, practicing sustainability in all event operations

CAMPUS DESIGN AND OPERATIONS

Sustainability has been considered in all building design and fit-out decisions. We actively sought out suppliers with a similar commitment to ethical and sustainable products.

WHAT'S DIFFERENT ABOUT THIS CAMPUS?

We focus on the broader definition of sustainability, which means not just environmental sustainability, but incorporating the United Nations Sustainable Development Goals into everything we do. Our staff and students have a greater say in how the campus is run and will actively contribute to making the world a better place for all people. The campus will host guest speakers and conferences for our staff and community to increase our knowledge about climate change and sustainability. Special initiatives at the campus include:

Recycling and waste management across all campus operations

Best-practice End-of-Trip facilities to encourage cycling to campus with e-bike charging stations and secure bike storage

Initiatives focusing on gender equality and reducing the inequalities

A strong focus on physical and mental health and well-being supported through our fitness centre, beauty services, and healthier menu options.
