IN SUPPORT OF **SUSTAINABLE DEVELOPMENT GOALS**

**Discover the Gold Coast**  
Explore key attractions by walking, when an established path is available for your best health and safety experience.

**Shared paths**  
Be courteous, keep to the left, slow down.  
The City of Gold Coast shared paths are for people of all abilities and levels of experience. In fact, you may find some shared paths can be extremely busy. Remember to:  
• Keep left and give way to pedestrians.  
• There are a few set distances that allow you to stop safely to avoid colliding with a pedestrian.  
• Always look at crossing paths and other personal mobility devices.  
• Pedestrians must not stand still and block the path.  
• Give priority to people at wheel and those riding at night.  
• Dogs must be kept on a lead.  
Find out more at [cityofgoldcoast.com.au/sharedpaths](http://cityofgoldcoast.com.au/sharedpaths)

**Walking safety**  
Keep in mind these tips when you are out and about:  
• walking with a friend is a great motivator  
• stay visible and wear reflective or bright coloured clothing  
• walk facing oncoming traffic  
• wear appropriate clothing and footwear  
• use mobile phones, always positioned on a low volume but not silent setting, for pedestrian safety.  
Find out more at [cityofgoldcoast.com.au/walkingsafety](http://cityofgoldcoast.com.au/walkingsafety)

**Riding safety**  
Follow these tips for a safer journey:  
• Get the right bike - ensure it is the correct size and type to meet your needs and maintain good brakes in regular service  
• Fit your cycle with a bell, white and red reflectors on the front and rear lights at night  
• Push wet weather gear into a wheel bag and carry a simple puncture repair kit  
• Always stop a personal fire correctly with Australian standards, it is the law  
• Use your seat belt when riding at 40km/h or more

**Bike riders can:**  
• Also on shared paths (unless prohibited by a sign) you must keep left and give way to pedestrians  
• Ride from ahead on the road, but must stay within 1.5 metres of each other  
• Ride in slow, low and straight lanes  
• Ride on the road shoulder or in a built-up area, maintain three metres from the left wheel, they are signposted to turn left  
• Use your seat belt when riding at 40km/h or more

**Personal safety tips**  
Follow these tips to maintain your personal safety:  
• Stay alert to your surroundings at all times  
• Avoid short cuts, walk to well lit, populated areas  
• Secure personal belongings  
• Avoid using headphones or a mobile phone when walking, riding or crossing the road  
• Plan to take home what you are taking and how you will get home  
• Inform someone where you are going and your expected time of return  
• In an emergency call Triple Zero (000). To report a non-urgent incident, call Police on 131 444 or visit [police.qld.gov.au/contact](http://police.qld.gov.au/contact)

**Benefits for you and for the city**  
• Better health  
Walking and cycling is a great way to improve your health and fitness.  
• Reduced traffic congestion  
Walking and cycling helps to reduce traffic congestion and improve air quality.  
• A greener environment  
Walking and cycling is a greener mode of transport that helps to reduce carbon emissions.  
• Save money  
Walking and cycling is a free mode of transport that helps to save money on petrol and public transport.

**When active travelling be sun safe and stay hydrated.**

**Reduces congestion**  
Gold Coast residents are encouraged to leave the car at home and actively travel around the city.  
• Plan your route and consider these options:  
• Go to work by walking, riding or using public transport.  
• Carpool and split fuel and wear.  
• Use public transport to work and school.  
• Use your car for errands and shopping.  
• Consider car share and carpooling.  
• Use a bike to travel to work.  
Find out more at [cityofgoldcoast.com.au/activecommuting](http://cityofgoldcoast.com.au/activecommuting)

**Share the road**  
Whether you are a motorist, bike rider, or both, we all need to share the road.  
Queensland Government have been recognised as a leader in this area.  
• A maximum of one motorist when passing a bike should be used.  
• At least 1.5 metres when the motorist is overtaking a bike.  
Motorists are allowed to cross cycle lanes, including double cycle lanes, to pass a bike when they have given the driver a clear view of any approaching traffic and it is safe to do so.  
See Gold Rules at [qld.gov.au/behindthewheel](http://qld.gov.au/behindthewheel)

**Public transport**  
The Gold Coast has many public transport options that can be combined with a walk or ride.  
Public transport information, timetables and journey planners for bus, train and light rail services are available at [translink.com.au](http://translink.com.au)  
Did you know?  
You can travel with your bike or personal e-bike on public transport at any time. When travelling with a bike or e-bike on public transport, you need to:  
• Stand along the foot or back carriage of the car or train only  
• In an e-bike, people with bikes or e-bikes are in the foot or car carriage during peak times, you need to:  
• Keep clear of access to priority seating  
• Keep your e-bike in a designated area of bikes and e-bikes  
• Use your seat belt or shoulder at all times  
• Follow the direction of station staff

**Bike share**  
Refresh your ride with Lime.  
Public power has been boosted with Lime electric-assist bikes on the Gold Coast. There are hundreds of shared bikes available in key locations, giving you a fast and easy way to explore our beautiful city.  
The City's official bike share program, Lime bikes provides a more affordable and sustainable travel option.  
For details on how to find, return and use Lime bikes, download the Lime App.

**Personal Mobility Devices**  
Road rules apply when using Personal Mobility Devices (PMDs) such as e-scooters, e-skateboards and e-cyclos.  
Visit QLD Government StreetSmart's Home

**Hopo**  
Hop on and hop off with the Gold Coast's ferry service, Hopo. You can find more on board facilities by visiting [hopo.com.au](http://hopo.com.au)  
• Surfing Parkland  
• 100% shade of the A/C  
• Marine Manager  
• Soufflet Entertainment Parkland  
• Sea View  
Sailing 9 hours a day, 7 days a week, Hopo boats are fast, reliable and safe.

**Gold Coast Oceanway**  
The Gold Coast Oceanway is a 36 kilometre stretch of shared bike and pedestrian paths along the coastline from the Gold Coast to Ormeau. It's the longest shared bike path in the world.

**Gold Coast Bike Riding Guide**  
Get the most out of your riding experience.  
It provides personal riding information and shows the city's bike routes, itineraries, clubs and organisations across the Coast Coast.

**MAKE GREAT HAPPEN**

**TAFE ROBINA OPEN DAY SPECIAL**

**15% OFF FULL PRICE**

**BONUS OFFER - \$50 OFF YOUR ACCESSORIES WITH ANY BIKE PURCHASED**

*Conditions and exclusions apply.*

### **99 BIKES ENVIRONMENTAL SUSTAINABILITY VISION**

#### **Powered By Renewables**

We aim to have our stores 100% run by renewable energy, with 66% currently using solar panels to reduce our electricity use and decrease our carbon emissions.

#### **Green Team**

Our Green Team is an initiative sponsoring everyday riders to ditch their car and ride to work. and our Upcycle program donating used bikes to those in need. Commuting to work is a culture for our team, our customers, with less cars on the road.

#### **Reduce Waste**

Our goal is to reduce our general waste by 50% by 2027, with product sourcing including sustainability, reducing the use of plastics, non-recyclable materials and a recycling culture.

#### **Upcycle**

We donate some second hand bikes to local charities and organisations, where they bring the bikes back to life, avoiding landfill and giving to those in need.

### **THE WORLD'S MOST *Approachable* BIKE SHOPS**
