Re: Affirmation of Pre-Submission Review

September 28, 2020

To Whom it May Concern,

In July 2020, Matthew Muncha from Northern Arizona University and Derek Martin from Susquehanna University agreed to participate in the pre-submission external review process to improve our STARS reports and make the submission process smoother. We agreed that our timelines and goal submission dates aligned and we began our review.

After performing a final review, I can attest that all identified issues in the report have been resolved.

Please feel free to contact me at martinde@susqu.edu or at 570-372-4398 if you have any questions or concerns.

Sincerely,

Derek Martin
Sustainability Coordinator
