Dear Meghna Tare,

Congratulations! After reviewing the WasteWise Re-Trac database for Food Recovery Challenge, the United States Environmental Protection Agency (US EPA) has selected the University of Texas at Arlington for 2011 and 2012 Achievement Awards for demonstrated commitment to improve sustainable food management practices on campus. Your award will be presented by our Region 6 office located in Dallas, Texas. You will be contacted in the very near future to determine what arrangements can be made for the presentation.

Thank you very much for your continued participation on the EPA's Food Recovery Challenge. If you have any question, please contact me at 214-665-6576.

Sincerely,
