Dear AASHE Review Committee,

As part of the University of the Fraser Valley's (UFV's) inaugural STARS submission, a team from Douglas conducted an external review of the submission as part of a reporting assurance process.

Please accept this statement of affirmation that UFV's submission has been reviewed in full by the undersigned, and that all identified inconsistencies and errors have been successfully addressed.

Best regards,

A handwritten signature in black ink, appearing to read "DT", written over a horizontal line.
