STARS PA-4 Reporting Assurance  
Pre-Submission Review  
Letter of Affirmation

I affirm that I did a peer review of the Engagement, Planning and Administration and Innovation Credits for the Williams College STARS submission in February 2022. Using the STARS Review Template, I performed a first and second review and can confirm that all identified issues have been resolved. Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in black ink, consisting of a series of loops and a long, sweeping tail that extends to the right.
