

Sustainability Culture Assessment

Students

1. Which of the following is your primary mode of transportation to get to and from Missouri State University (please check only one)?
 - a. Commute with only the driver in the vehicle (not including motorcycles and scooters)
 - b. Walk, bicycle, or use other non-motorized means
 - c. Vanpool or carpool
 - d. Take a campus shuttle or public transportation
 - e. Use a motorcycle, scooter, or moped
 - f. Telecommute for 50 percent or more of your regular school hours

2. Which of the following modes of transportation have you also used get to and from Missouri State University during the past year (please check all that apply)?
 - a. Commute with only the driver in the vehicle (not including motorcycles and scooters)
 - b. Walk, bicycle, or use other non-motorized means
 - c. Vanpool or carpool
 - d. Take a campus shuttle or public transportation
 - e. Use a motorcycle, scooter, or moped
 - f. Telecommute for 50 percent or more of your regular school hours

3. Please comment on why you use the form of transport you use most.

4. When choosing where to live, how important is being able to walk or bike to campus?
 - a. not at all important
 - b. slightly important
 - c. somewhat important
 - d. quite important
 - e. extremely important

5. When choosing where to live, how important is being able to take the bus to campus?
 - a. not at all important
 - b. slightly important
 - c. somewhat important
 - d. quite important
 - e. extremely important

6. When choosing where to attend college, how important were the school's sustainability efforts and programs?
 - a. not at all important
 - b. slightly important
 - c. somewhat important

- d. quite important
 - e. extremely important
7. How likely would you be to participate in a bike share program that would allow you to check out a bike for trips around campus and the downtown area?
- a. would not participate
 - b. might participate
 - c. probably would participate
 - d. definitely would participate
8. How much would you pay to participate in this bike share program?
- a. I would pay over \$50 per year
 - b. I would pay up to \$50 per year
 - c. I would pay up to \$25 per year
 - d. I would pay up to \$10 per semester
 - e. I would only participate if it was free
 - f. I would not participate
9. During the past year, how often did you use a reusable water bottle, coffee cup, travel mug, etc.?
- a. did not do this in the past year
 - b. occasionally
 - c. sometimes
 - d. often
 - e. all the time
10. During an average week, about how often do you include meat as part of your daily diet?
- a. Daily/almost daily
 - b. 3-4 days
 - c. 1-2 days
 - d. Never
11. During the past year, about how much of your grocery purchases were sustainable food? *"Sustainable food" can be defined as one or more of the following: locally-sourced, organic, from humanely-treated animals, antibiotic- and hormone-free, grass-fed, from sustainable fisheries, or fair trade food.*
- a. All/most
 - b. More than half
 - c. Half
 - d. Less than half
 - e. None
 - f. I don't know
12. Do you think climate change is happening?

- a. Yes
 - b. No
 - c. I don't know
13. How confident are you about your answer to the previous question?
- a. Extremely confident
 - b. Mostly confident
 - c. Somewhat confident
 - d. Not at all confident
14. Assuming climate change is happening, do you think it is...
- a. Caused mostly by human activities
 - b. Caused mostly by natural changes
 - c. Caused by both human activities and natural changes
 - d. None of the above because climate change is not happening
15. How important is the issue of climate change to you personally?
- a. Not at all important
 - b. Not too important
 - c. Somewhat important
 - d. Very important
 - e. Extremely important
16. How concerned are you about the impact that people's travel - by car and plane - has on the environment?
- a. not at all concerned
 - b. slightly concerned
 - c. somewhat concerned
 - d. quite concerned
 - e. extremely concerned
17. How concerned are you about whether food is grown and produced in a way that is good for the environment?
- a. not at all concerned
 - b. slightly concerned
 - c. somewhat concerned
 - d. quite concerned
 - e. extremely concerned
18. How concerned are you about natural resources - like water and fossil fuels - being used up?
- a. not at all concerned
 - b. slightly concerned
 - c. somewhat concerned

- d. quite concerned
- e. extremely concerned

19. How concerned are you about people producing too much waste?

- a. not at all concerned
- b. slightly concerned
- c. somewhat concerned
- d. quite concerned
- e. extremely concerned

20. How concerned are you about the loss of open space?

- a. not at all concerned
- b. slightly concerned
- c. somewhat concerned
- d. quite concerned
- e. extremely concerned

21. Overall, how committed are you to sustainability?

- a. Very committed
- b. Somewhat committed
- c. Not very committed
- d. Not at all committed

22. Who or what have been the main influences in shaping your views about sustainability?

(Select up to three)

- a. Friends or classmates
- b. Parents or other family members
- c. K-12 teachers
- d. MSU professors/instructors/courses
- e. Childhood experiences outdoors
- f. Media--readings, video, movies, TV, etc.

23. Have you ever taken a course at MSU that addressed sustainability?

- a. Yes
- b. No
- c. I don't know

24. How much do you know about the Campus Energy Competition (Flip The Switch)?

- a. Never heard of this
- b. Heard of this but don't know much about it
- c. Know some about this
- d. Know a lot about this
- e. Participate(d) in this

25. How much do you know about EcoPalooza?
- Never heard of this
 - Heard of this but don't know much about it
 - Know some about this
 - Know a lot about this
 - Participate(d) in this
26. How much do you know about the Eco-Reps Program at MSU?
- Never heard of this
 - Heard of this but don't know much about it
 - Know some about this
 - Know a lot about this
 - Participate(d) in this
27. How much do you know about Green Room Certification?
- Never heard of this
 - Heard of this but don't know much about it
 - Know some about this
 - Know a lot about this
 - Participate(d) in this
28. How much do you know about the MSU Campus Garden?
- Never heard of this
 - Heard of this but don't know much about it
 - Know some about this
 - Know a lot about this
 - Participate(d) in this
29. How much do you know about RecycleMania?
- Never heard of this
 - Heard of this but don't know much about it
 - Know some about this
 - Know a lot about this
 - Participate(d) in this
30. How much do you know about the MSU Student Sustainability Fund?
- Never heard of this
 - Heard of this but don't know much about it
 - Know some about this
 - Know a lot about this
 - Participate(d) in this
31. How much do you know about Students for a Sustainable Future?
- Never heard of this

- b. Heard of this but don't know much about it
 - c. Know some about this
 - d. Know a lot about this
 - e. Participate(d) in this
32. How much do you know about the Sustainability Minor?
- a. Never heard of this
 - b. Heard of this but don't know much about it
 - c. Know some about this
 - d. Know a lot about this
 - e. Participate(d) in this
33. How much do you know Zip Grow Towers?
- a. Never heard of this
 - b. Heard of this but don't know much about it
 - c. Know some about this
 - d. Know a lot about this
34. How did you hear about the sustainability efforts mentioned in questions 24-33? (check all that apply)
- a. Flyers
 - b. Emails
 - c. Facebook
 - d. Instagram
 - e. Twitter
 - f. From friends
 - g. In class/professors
 - h. CampusLINK
 - i. MSU Website
35. Overall, how would you rate/grade MSU's sustainability efforts?
- a. Very Good
 - b. Good
 - c. Fair
 - d. Poor
 - e. Very Poor
36. Please comment on ways that the University's sustainability efforts could be improved, including conserving energy, transportation, waste reduction, food from sustainable sources, etc...
37. How likely is it that being able to walk, bike, or take the bus places from where you live will be a priority of yours in the future?
- a. not at all likely

- b. slightly likely
 - c. somewhat likely
 - d. quite likely
 - e. extremely likely
38. How likely is it that conserving natural resources by reducing waste, reusing things, and recycling will be a priority of yours in the future?
- a. not at all likely
 - b. slightly likely
 - c. somewhat likely
 - d. quite likely
 - e. extremely likely
39. How likely is it that taking care of your home and property in environmentally-friendly ways will be a priority of yours in the future?
- a. not at all likely
 - b. slightly likely
 - c. somewhat likely
 - d. quite likely
 - e. extremely likely
40. Do you live in (check one):
- a. A MSU residence hall (*which one?*):
 - b. Off-campus apartment
 - c. Off-campus house
 - d. Off-campus housing such as a sorority, fraternity, or co-op.
 - e. Parent's house
 - f. Other (*please specify*):
41. Are you a:
- a. First-year student (Freshman)
 - b. Sophomore
 - c. Junior
 - d. Senior
 - e. Graduate student/Professional student
42. Are you a US student or international student?
- a. US student
 - b. International student
43. Which of the following best describes your country of origin?
- a. China (including Hong Kong)
 - b. India
 - c. Other Asian countries (NOT China or India)

- d. Europe
- e. Mexico, Latin America, Central America, the Caribbean
- f. Other

44. What is your age?

45. Are you:

- a. Female
- b. Male
- c. Other (*please specify*):
- d. Choose not to respond

46. Do you have any additional comments or feedback you would like to provide?
