Dear Mr. Rowland:

I am pleased to submit this letter of verification that the information presented on behalf of Truman State University through the STARS assessment process is accurate to the best of our knowledge and ability.

The process and review used to collect this data has proven to be a valuable exercise, as we now have established our first-ever sustainability baseline. This baseline clearly highlights our areas of strength as well as the areas we can improve upon for our future generations, and we look forward to our continued relationship with AASHE to assist us in these improvements.

Sincerely,
