

Office of the President

24 February 2023

To Whom It May Concern,

I affirm that I reviewed the State University of New York College of Environmental Science and Forestry's (ESF) 2023 STARS submission in full and that all inconsistencies and errors that I identified were successfully addressed prior to ESF's formal submittal to AASHE.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Mark Lichtenstein". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
