

Sustainability Course Inventory

Sustainability-Focused Courses:

1. ANTH 336 – Topics in Global/Local Interconnections
2. ANTH 451 – Cultural Ecology
3. ANTH 452/552 – Global Environmental Movements
4. BA 476 – Business Ethics
5. BA 483/MM 583 – Sustainability Leadership
6. BA 490/MM 590 – Case Studies in Corporate Sustainability
7. BI 388 – Conservation of Natural Resources
8. BI 438/538 – Conservation Biology
9. EC 310 – The Environment and the Local Economy
10. EE 528 – Environmental Issues
11. ENGR 306/PH 306 – Sustainability: Materials Technology and Design
12. ES 102 – Intro to Environmental Studies: Biological Science
13. ES 103 – Intro to Environmental Studies: Social Science Perspectives
14. ES 200 – Intro to Environmental Science
15. ES 210 – Environmental Studies I
16. ES 310 – Environmental Applications
17. ES 310H – Honors Environmental Applications
18. ES 379 – Biodiversity
19. ES 383 – Science and Advocacy in Environmental Policy Debates
20. ES/SOC 420/520 – Environmental Sociology
21. ES 421/521 – Ecological Economics and Sustainable Development
22. ES 423 – Sustainability and Natural Resources
23. ES/GEOG/SSPC 437/537 – Conservation in the United States
24. ES/GEOG/SSPC 439/539 – Land Use Planning
25. ES/GEOG 440 – Planning Issues
26. ES 445 – Ecosystem Management and Conservation
27. ES 479 – Biosphere, Ecology, and Global Environmental Change
28. ES 479H – Honors Biosphere, Ecology, and Global Environmental Change
29. ES 482/582, GEOG 482/582 – Climatology
30. G 360 – Environmental Geology
31. GEOG 360 – Global Issues in Population, Development, and the Environment
32. HE 331 – Environmental Health
33. MBA 509 – Ethics
34. MM 513 – Strategic Management
35. NAS 380 – Native American Ecological Practices
36. PH 308 – Energy and the Environment
37. PH 310 – Energy Policy
38. PS 342 – Environmental Law
39. SOC 205 – Social Problems and Policy
40. SOC 350 – People and Forests

Sustainability-Related Courses:

1. ANTH 213 – Cultural Anthropology: Perspectives on Humanity
2. ANTH 450 – Culture Change
3. ARTH 345 – Activist Artists and Works in Their Community
4. BA 208 – Hospitality & Tourism Essential Skills
5. BA 310 – Lodging & Tourism Operations
6. BA 311 – Food & Beverage Management
7. BA 312 – Hospitality/Tourism Marketing

8. BA 374 – Principles of Management
9. BA 489 – Organizational Leadership
10. BI 103 – General Biology : Populations
11. BI 340/ES 340 – Introductory Ecology
12. BI 382 – Biology and Society
13. BI 386 – Forest Ecology and Management
14. BI 454/554 – Plant Ecology
15. BI 523 – Natural History of the Pacific Northwest
16. CH 101 – Environmental Chemistry
17. CH 330 – Metals and Civilization
18. EC 315 – Environmental Economics
19. EC 351 – Oregon’s Future
20. ED 452 – Outdoor Education Experiences
21. EE 527 – Place-Based Curriculum Development
22. ES 101 – Intro to Environmental Studies: Earth Science
23. ES 111/GEOG 111 – Physical Environment I
24. ES 111H – Honors Physical Environment I
25. ES 112/GEOG 112 – Physical Environments II
26. ES 112H – Honors Physical Environment I
27. ES 309/GEOG 309 – Principles of Meteorology
28. ES 327 – Energy and Climate Change
29. ES 351 – Environmental Policy and Impact Analysis
30. ES 431 – Urban Watersheds
31. ES/GEOG 433/533 – Soil Science
32. ES 435 – Water Resources
33. ES 442 – Valuation of Ecosystem Goods and Services
34. ES 475 – Environmental Modeling
35. ES 480 – Fire Ecology
36. G 314 – Hydrology
37. G 353 – Oceanography
38. GEOG 108 – Global Lands and Livelihoods
39. GEOG 350 – Urban Environments
40. HE 275 – Health & Society II
41. HE 362 – Community Health
42. HST 421/521 – Environmental History
43. IS 250 – The International Scene
44. OAL 170 – Bike Maintenance
45. OAL 174 – Hiking
46. OAL 250 – Foundations in Outdoor Adventure Leadership
47. OAL 362 – Outdoor Recreation Programming and the Environment
48. OAL 444 – History of the Pacific Northwest Wilderness
49. PH 309 – Energy Alternatives
50. PHL 205 – Ethics: Moral Issues
51. PHL 205H – Honors Ethics: Moral Issues
52. PHL 426/526 – Women and Ethics
53. PS 110 – Globalization
54. PS 328 – Public Policy and the Environment
55. PS 340 – Law, Science, and the Environment
56. PSY 435/535 – Environmental Psychology
57. SOC 204 – The Sociological Imagination
58. SOC 310 – Community Studies
59. SOC 345 – Sociology of Globalization
60. SOC 425 – Food, Power, & Agriculture

61. SOC 461 – Creating and Negating God
62. SSPC 440 – Social Activism: History, Method, Practice
63. USEM 101 – University Seminar: Reading, Writing, & Revolution
64. USEM 102 – University Seminar: Reading, Writing, & Revolution
65. USEM 103 – University Seminar: Reading, Writing, & Revolution

Departments that Offer Sustainability Courses:

Art and Art History
Biology
Business
Chemistry, Physics, Materials, and Engineering
Education
Environmental Studies
Health, Physical Education, and Leadership
History and Political Science
Psychology
Social Sciences, Policy and Culture
Graduate Studies
University Seminar
