

# UCLA IS GOING PLASTIC-FREE

## WE NEED YOUR HELP!

In an effort to mitigate the [environmentally damaging effects of plastics](#), UCLA is moving towards eliminating all single-use plastics related to foodware across campus. We highly encourage students, staff, and faculty to utilize the resources below and help us achieve a plastic-free campus.

The following campus locations and events are required to comply by the policy:

- **Foodservice Facilities**  
(dining halls, campus restaurants, etc.)
- **Retail and Convenience Stores**
- **Vending Machines**
- **Fundraisers**
- **Conferences**
- **Meetings**
- **Catering**
- **Events**
- **Offices**

Visit [www.sustain.ucla.edu/single-use-plastic-policy/](http://www.sustain.ucla.edu/single-use-plastic-policy/) for details on the UCLA Single-Use Plastics Policy and resources to help you transition away from harmful plastics.
