Dear Colleagues,

**Re: January 2017 University of Saskatchewan's STARS submission**

On behalf of the University of Saskatchewan, I am pleased to submit our data for the Association of Advancement of Sustainability In Higher Education's STARS (Sustainability Tracking Assessment and Rating System) benchmarking tool. The information submitted has been carefully collected and researched to ensure that it accurately reflects the sustainability work being done at the University of Saskatchewan.

The STARS Report has been compiled by those colleagues at the University of Saskatchewan who are responsible for their respective content areas. Accordingly, I confirm that the information submitted is complete and accurate to the best of our knowledge and ability.

Sincerely yours,

Peter Stoicheff  
President and Vice Chancellor
