

AASHE STARS Letter of Affirmation

Pre-Submission Review

January 25, 2024

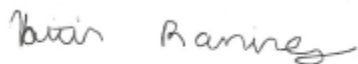

To Whom It May Concern,

The University of Wisconsin-River Falls Sustainability Office has been working on a STARS report for the past several months. We have served as reviewers of their report and can attest that we have completed a review verifying that content meets required criteria. We also checked spelling, grammar, and hyperlinks. We verify that we were not involved in the data collection process and that we completed two reviews of the entire report.

Our contact information is listed on the completed review template. Should you have any questions, please feel free to reach out to any of us.
