To Whom it May Concern:

Haverford is a liberal arts college with a distinctive character that offers rigorous, ethically-attuned undergraduate education as a vehicle for preparing students for lives that speak. Guided by its Quaker heritage, Haverford is built on the foundations of mutual respect, trust, and individual and collective social responsibility: values that resonate deeply with the tenets of sustainability.

As a proud charter participant of the STARS® program, I am pleased to verify the information submitted to be a complete and accurate representation of Haverford's institutional activities relevant to sustainability. Faculty, students and staff participated in providing information, making STARS® a campus wide endeavor.

Sincerely,
