

# AASHE STARS 2020 OP-16: Student Commute Modal Split

Mar-20

>> Data Collected from the University's Parking and Transportation Services, as of November, 2019

Student Population	Parking permits delivered to WashU students				Permits/Students
	Yellow Zones (zones 1, 2, 3, 4, & Snow)	Evening Permits	ParkSmart	Total	
Danforth Students (part time and full time)					
14973	1311	815	105	2231	<b>14.9%</b>

>> As of November 6, 2019, 15% of the WashU students were assigned a parking permit. **This means that the other 85% didn't use their personal vehicle as their primary mode of transportation going to the university, and therefore we can assume that they used a sustainable commuting.**

>> Data Collected in the Survey led in 2016 as part of the Mobility Plan

Question: "Going to the university, what is your most frequent mode of transportation?"
