

# AASHE STARS 2018 OP-17: Employee Commute Modal Split

Feb-18

## >> Data Collected from the University's Parking and Transportation Services for FY2017

Student Population	Parking permits delivered			Permits/Employees
	Danforth Full-Time Employees	Yellow Zone Faculty/Staff	Red Zone Parking Permits	
2819	1532	277	1809	<b>64.2%</b>

>> 64% of the WashU employees were delivered a parking permit during Fiscal Year 2017. This means that the other 36% didn't use their personal vehicle as their primary mode of transportation going to the university, and therefore we can assume that they used a sustainable commuting.

## >> Data Collected in the Survey led in 2016 as part of the Mobility Plan

Question: "Going to the university, what is your most frequent mode of transportation?"
