

AASHE STARS 2020 OP-17: Employee Commute Modal Split

Mar-20

>> Data Collected from the University's Parking and Transportation Services, as of November, 2019

Employee Population	Parking permits delivered					Permits/Employees
	Yellow Zone Faculty/Staff (Zones 1, 2, 3, 4)	Yellow Zone Faculty/Staff (Zones 5W & 5N)	Red Zone Parking Permits (faculty & staff)	ParkSmart employees	Total	
Danforth Full-Time & Part Time Employees	1731	707	302	234	2974	57.6%

>> As of November 6, 2019, 58% of WashU employees were assigned a parking permit. This means that the other 42% likely didn't use their personal vehicle as their primary mode of transportation going to the university, and therefore we can assume that they used a sustainable commuting.

>> Data Collected in the Survey led in 2016 as part of the Mobility Plan

Question: "Going to the university, what is your most frequent mode of transportation?"
