18 February 2023

To Whom It May Concern,

The State University of New York College of Environmental Science and Forestry (ESF) affirms that Michael Amadori, Energy Manager; Lexi Chipules, Campus Facility Wellness Manager; Delaney Demro, Sustainability Planning and Institutional Alignment Manager; and Rochelle Strassner, Sustainability Outreach and Engagement Manager, reviewed Cornell University's 2023 STARS submission in full and that all identified errors were successfully addressed prior to Cornell's formal STARS submittal to AASHE.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Mark Lichtenstein", with a long, sweeping horizontal stroke extending to the right.

Mark Lichtenstein  
Executive Operating Officer and Chief Sustainability Officer
