With over 30 CIOs related to sustainability, there's something for everyone at UVA. Check out a sampling of the clubs below:

Want to help and lead sustainability related projects on Grounds and in Charlottesville? **Green Grounds** does that! Contact Stephanie Durham (sjd9hb) or Rachel DiBenedetto (rmd5xb) for more information.

The Sustainability Committee of Student Council focuses on sustainable policies at UVA. Contact Jakob Weitzman (jkw7dk) or Megan Routbort (mcr3zc) to learn more.

Interested in political advocacy? Reach out to Brian Cameron (bpc3h) to join the **Climate Action Society**.

Also check out **Madison House Animals and Environment**, **Morven Kitchen Garden**, **UVA Community Garden**, **Net Impact**, **Greens to Grounds** and **Outdoors Club**.

Excited about promoting sustainability in your residence hall? Join the **Sustainability Advocates** who lead these efforts. Contact program leader Dom Ong (dho9nt) for more information.

Interested in advocating for human health, sustainability, and good food? Contact Rachel McGill (rem2yc) to join **Veggies of Virginia**.

Be ready for *Energize UVA*, in October when 1ST year residence halls compete to reduce energy and learn about sustainability at UVA. (Yes, there will be prizes involved as well!)

Outside of UVA, be sure to check out all that Charlottesville has to offer including the Saturday local Farmer's Market, free Charlottesville city buses, and beautiful parks.

Get Involved In Sustainability Around Grounds

And much more!

The above is just an overview of ways to engage with sustainability at UVA. If you want to learn more about UVA's sustainability efforts, like or follow Sustainable UVA on Facebook, Instagram and Twitter, e-mail sustainability@virginia.edu, or check out www.sustainability.virginia.edu.

Sustainable Move-In

•Tips for a Green Dorm Room•

UVA has pledged to significantly reduce waste and energy consumption. These tips will lead to a greener and more efficient dorm while saving money and lightening the load of your move in.

Shop at the Reusable Office Supply Exchange (ROSE)

- Free, quality school supplies
 - Paper & ink
 - Pens & pencils
- Notebooks & binders
- Located in the stores warehouse on Leake Drive (near Alderman/McCormick intersection), open M-F 8am-3pm

Green Packing List

- LED/CFL bulbs for lamps
- Brita water filter & reusable bottle
 - Smart power strip
- Hand towel to save paper towels
- Warm blanket to minimize heating needs
 - Reconsider mini-fridge/microwave (or share with a roommate)
- For moving, use bags or reusable crates instead of cardboard boxes

Sustainable Move-In

•Tips for a Green Dorm Room•

Seek Reused Furniture

- Students donated 37,000 pounds of personal belongings during the “Hoos Reuse” donation drive in May 2017. (Remember to donate when you move out!)
- Most belongings are used for only a year.
- Complete the recycling circle by buying dorm furnishings at Goodwill or other resale shops.

Minimalism Tips

- Most dorm rooms are on the smaller side, and having less stuff and clutter at college can help make students more productive.
- Marie Kondo provides good tips in her book *The Life-Changing Magic of Tidying Up* as does the award winning documentary *Minimalism*.
