

Stanford University

Academic Credit 9: Research and Scholarship

Total Stanford Tenure-Track Faculty: 2,180
Total Tenure-Track Faculty Engaged in Sustainability Research: 442

Faculty Engaged in Sustainability Research:

First Name	Last Name	Title	Department
Jennifer	Aaker	Professor	Graduate School of Business
Mark	Algee-Hewitt	Assistant Professor	English, Emmett Interdisciplinary Program in Environment and Resources
Juan	Alonso	Associate Professor	Aeronautics and Astronautics
Michelle	Anderson	Professor	Law, Urban Studies
Amin	Arbaban	Assistant Professor	Electrical Engineering
Nicole	Ardoin	Assistant Professor	Education, Emmett Interdisciplinary Program in Environment and Resources
Kevin	Arrigo	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Kenneth	Arrow	Professor	Economics, Ethics in Society
Kenneth	Arrow	Professor	Economics, Emmett Interdisciplinary Program in Environment and Resources
Gregory	Asner	Assistant Professor	Earth Systems, Emmett Interdisciplinary Program in Environment and Resources
Atilla	Aydin	Professor (Research)	Geological Sciences
Khalid	Aziz	Professor	Energy Resources Engineering
Jeremy	Bailenson	Associate Professor	Communication, Science, Technology & Society, Symbolic Systems
Jack	Baker	Professor	Civil and Environmental Engineering
Shilajeet	Banerjee	Associate Professor	Mechanical Engineering, Emmett Interdisciplinary Program in Environment and Resources
Zhenan	Bao	Professor	Chemical Engineering
Stephen	Barley	Professor	Management Science and Engineering
William	Barnett	Professor	Graduate School of Business, Emmett Interdisciplinary Program in Environment and Resources
David	Barnett	Professor	Materials Science and Engineering
Michele	Barry	Professor	Medicine, Emmett Interdisciplinary Program in Environment and Resources
Sanjay	Basu	Assistant Professor	Medicine
Andrew	Bauer	Assistant Professor	Anthropology, Archaeology
Eran	Bendavid	Assistant Professor	Medicine, Emmett Interdisciplinary Program in Environment and Resources
Lanier	Benkard	Professor	Graduate School of Business

Sally	Benson	Professor	Energy Resources Engineering, Emmett Interdisciplinary Program in Environment and Resources
Stacey	Bent	Professor	Chemical Engineering
Paul	Berg	Professor	Biochemistry, Stanford Biosciences
Jonathan	Berger	Professor	Music, Symbolic Systems
Gregory	Beroza	Professor	Geophysics
Sarah	Billington	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Biondo	Biondi	Professor	Geophysics, Computational and Mathematical Engineering
Dennis	Bird	Professor	Geological Sciences
Paulo	Blikstein	Assistant Professor	Education
Barbara	Block	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources
Nicholas	Bloom	Professor	Economics
Alexandria	Boehm	Associate Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Ronaldo	Borja	Professor	Civil and Environmental Engineering
Michael	Boskin	Professor	Economics, Public Policy
Donna	Bouley	Professor	Comparative Medicine
Raffick	Bowen	Associate Professor	Pathology
Craig	Bowman	Professor	Mechanical Engineering
C. Kevin	Boyce	Associate Professor	Geological Sciences
Scott	Boyd	Assistant Professor	Pathology
Stephen	Boyd	Professor	Electrical Engineering
David	Brady	Professor	Political Science
Adam	Brandt	Assistant Professor	Energy Resources Engineering, Emmett Interdisciplinary Program in Environment and Resources
Timothy	Bresnahan	Professor	Graduate School of Business, Public Policy
Stanley	Brodsky	Professor	Particle Physics and Astrophysics (SLAC)
Mark	Brongersma	Associate Professor	Materials Science and Engineering
Bryan	Brown	Associate Professor	Education, African & African American Studies
Gordon	Brown	Professor	Geological Sciences
Zev	Bryant	Associate Professor	Bioengineering, Structural Biology
Jeremy	Bulow	Professor	Economics, Public Policy
Robert	Burgelman	Professor	Graduate School of Business
Marshall	Burke	Assistant Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Thomas	Byers	Professor	Management Science and Engineering, Science, Technology & Society

Jef	Caers	Professor	Energy Resources Engineering, Emmett Interdisciplinary Program in Environment and Resources
Ken	Caldeira	Associate Professor	Earth Systems, Emmett Interdisciplinary Program in Environment and Resources
James	Campbell	Professor	History, American Studies
Brian	Cantwell	Professor	Aeronautics and Astronautics
Mark	Cappelli	Professor	Mechanical Engineering
Matteo	Cargnello	Assistant Professor	Chemical Engineering
Karen	Casciotti	Associate Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Katherine	Casey	Assistant Professor	Graduate School of Business
Page	Chamberlain	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Fu-Kuo	Chang	Professor	Aeronautics and Astronautics
James	Chen	Associate Professor	Chemical and Systems Biology, Stanford Biosciences
Christopher	Chidsey	Associate Professor	Chemistry
Samuel	Chiu	Associate Professor	Management Science and Engineering
Steven	Chu	Professor	Molecular and Cellular Physiology, Physics
William	Chueh	Assistant Professor	Materials Science and Engineering
Bruce	Clemens	Professor	Materials Science and Engineering
Margaret	Cohen	Professor	French and Italian, Comparative Literature, English
Graham	Creasey	Professor	Neurosurgery
Craig	Criddle	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Larry	Crowder	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Yi	Cui	Associate Professor	Materials Science and Engineering
Mark	Cullen	Professor	Medicine, Emmett Interdisciplinary Program in Environment and Resources
Lisa	Curran	Professor	Anthropology, Emmett Interdisciplinary Program in Environment and Resources, Ethics in Society
Hongjie	Dai	Professor	Chemistry
Gretchen	Daily	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources
Bill	Dally	Professor	Computer Science
William	Damon	Professor	Education
Michele	Dauber	Professor	Law
Reinhold	Dauskardt	Professor	Materials Science and Engineering

Jenna	Davis	Associate Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
John	Day	Professor	Neurology & Neurological Sciences, Pediatrics, Pathology
Gregory	Deierlein	Professor	Civil and Environmental Engineering
Anne	Dekas	Assistant Professor	Earth Systems, Earth Systems Science
Giulio	DeLeo	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Mark	Denny	Professor	Biology, Stanford Biosciences
Jennifer	DeVere Brody	Professor	Theater and Performance Studies, American Studies, Comparative Studies in Race & Ethnicity
Thomas	Devereaux	Professor	Particle Physics and Astrophysics (SLAC)
Noah	Diffenbaugh	Associate Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Michael	Digonnet	Professor (Research)	Applied Physics
Jennifer	Dionne	Assistant Professor	Materials Science and Engineering
Rodolfo	Dirzo	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Sebastian	Doniach	Professor	Applied Physics
Persis	Drell	Professor	Physics
Robert	Dunbar	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Eric	Dunham	Associate Professor	Geophysics
Jean-Pierre	Dupuy	Professor	French & Italian, Modern Thought & Literature, Science, Technology & Society, Symbolic Systems
William	Durham	Professor	Human Biology, Emmett Interdisciplinary Program in Environment and Resources
Louis	Durlofsky	Professor	Energy Resources Engineering
John	Eaton	Professor	Mechanical Engineering
Christopher	Edwards	Professor	Mechanical Engineering
David	Ehrhardt	Assistant Professor	Biology
Paul	Ehrlich	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Kathleen	Eisenhardt	Professor	Management Science and Engineering
Abbas	El-Gamal	Professor	Electrical Engineering
Audrey	Ellerbee	Assistant Professor	Electrical Engineering
William	Ellsworth	Professor (Research)	Geophysics
Stefano	Ermon	Assistant Professor	Computer Science

W. Gary	Ernst	Professor	Geological Sciences, Emmett Interdisciplinary Program in Environment and Resources
Rodney	Ewing	Professor	Geological Sciences
Walter	Falcon	Professor	Economics, Emmett Interdisciplinary Program in Environment and Resources
Shanhui	Fan	Professor	Electrical Engineering
Charbel	Farhat	Professor	Mechanical Engineering
Michael	Fayer	Professor	Chemistry
James	Fearon	Professor	Political Science, Public Policy
Marcus	Feldman	Professor	Biology, Stanford Biosciences
Scott	Fendorf	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
James	Ferguson	Professor	Anthropology, Emmett Interdisciplinary Program in Environment and Resources
Russell	Fernald	Professor	Biology
Christopher	Field	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Martin	Fischer	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Shelley	Fisher Fishkin	Professor	English, African & African American Studies, American Studies, Modern Thought & Literature, Urban Studies
James	Fishkin	Professor	Communication, American Studies, Urban Studies
Christopher	Francis	Associate Professor	Earth Systems, Earth Systems Science
Curtis	Frank	Professor	Chemical Engineering
Zephyr	Frank	Associate Professor	History, Emmett Interdisciplinary Program in Environment and Resources, Urban Studies
David	Freyberg	Associate Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Oliver	Fringer	Associate Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Tadashi	Fukami	Associate Professor	Biology, Emmett Interdisciplinary Program in Environment and
Gerald	Fuller	Professor	Chemical Engineering
Kelly	Gaffney	Associate Professor	Particle Physics and Astrophysics (SLAC)
Christopher	Gardner	Associate Professor (Research)	Medicine

Theodore J.	Geballe	Professor	Applied Physics
	Gerdes	Associate Professor	Mechanical Engineering
Margot	Gerritsen	Associate Professor	Energy Resources Engineering, Computational and Mathematical Engineering, Emmett Interdisciplinary Program in Environment and Resources
William	Gilly	Professor	Biology
Jeremy	Goldbogen	Associate Professor	Biology
Jeremy	Goldhaber-Fiebert	Assistant Professor	Medicine
David	Goldhaber-Gordon	Professor	Physics
Andrea	Goldsmith	Professor	Electrical Engineering
Kenneth	Goodson	Professor	Mechanical Engineering
Deborah	Gordon	Professor	Biology, Symbolic Systems
Steven	Gorelick	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Lawrence	Goulder	Professor	Economics, Public Policy
Stephan	Graham	Professor	Geological Sciences
Mark	Granovetter	Professor	Sociology, Emmett Interdisciplinary Program in Environment and Resources, Public Policy, Science, Technology & Society
Hank	Greely	Professor	Law, Public Policy, Science, Technology & Society, Stanford Biosciences
Sherril	Green	Professor	Comparative Medicine
Avner	Greif	Professor	Economics
Arthur	Grossman	Professor	Biology, Stanford Biosciences
Marty	Grove	Professor (Research)	Geological Sciences
Leonidas	Guibas	Professor	Computer Science, Computational and Mathematical Engineering
Heather	Hadlock	Associate Professor	Music
Elizabeth	Hadly	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Jens	Hainmueller	Associate Professor	Political Science
Ronald	Hanson	Professor	Mechanical Engineering
Pehr	Harbury	Associate Professor	Biochemistry
James	Harris	Professor	Electrical Engineering
Jerry	Harris	Professor	Geophysics
Warren	Hausman	Professor	Graduate School of Business
Siegfried	Hecker	Professor (Research)	Materials Science and Engineering, Public Policy
Britt	Hedman	Professor	Particle Physics and Astrophysics (SLAC)
Sarah	Heilshorn	Associate Professor	Materials Science and Engineering
Tony	Heinz	Professor	Applied Physics

Thomas	Heller	Professor	Law
Lambertus	Hesslink	Professor	Electrical Engineering
Lynn	Hildemann	Professor	Civil and Environmental Engineering
George	Hilley	Associate Professor	Geological Sciences
Keith	Hodgson	Professor	Chemistry
James	Holland Jones	Associate Professor	Human Biology, Earth Systems Science, Emmett Interdisciplinary
Charles	Holloway	Professor	Graduate School of Business
Roland	Horne	Professor	Energy Resources Engineering
Mark	Horowitz	Professor	Electrical Engineering
Ronald	Howard	Professor	Graduate School of Business
Roger	Howe	Professor	Electrical Engineering
Robert	Huggins	Professor	Materials Science and Engineering
Nadeem	Hussain	Associate Professor	Philosophy, German Studies
Jackelyn	Hwang	Assistant Professor	Sociology, Comparative Studies in Race & Ethnicity, American
Harold	Hwang	Professor	Applied Physics
Szu-chi	Hwang	Assistant Professor	Graduate School of Business
Gianluca	Iaccarino	Associate Professor	Mechanical Engineering, Computational and Mathematical Engineering
Dan	Iancu	Assistant Professor	Graduate School of Business, Emmett Interdisciplinary Program in
John	Ioannidis	Professor	Medicine
Robert	Jackson	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Mark	Jacobson	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary
Shaili	Jain	Associate Professor	Psychiatry and Behavioral Sciences
Thomas	Jaramillo	Associate Professor	Chemical Engineering
Saumitra	Jha	Associate Professor	Graduate School of Business
Ramesh	Johari	Associate Professor	Management Science and Engineering
Adrienne	Johnson	Associate Professor	American Studies
Charles	Jones	Professor	Economics
Matthew	Kanan	Assistant Professor	Chemistry
Aharon	Kapitulnik	Professor	Applied Physics
Terry	Karl	Professor	Political Science, Emmett Interdisciplinary Program in Environment and Resources
Hemamala	Karundasa	Assistant Professor	Chemistry
Jakub	Kastl	Assistant Professor	Economics, Public Policy
Leonid	Kazovsky	Professor	Electrical Engineering
David	Kelley	Professor	Mechanical Engineering

David	Kennedy	Professor	American Studies, Emmett Interdisciplinary Program in Environment and Resources
Donald	Kennedy	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Public Policy
Chaitan	Khosla	Professor	Chemistry, Stanford Biosciences
Butrus	Khuri-Yakub	Professor	Electrical Engineering
Abby	King	Professor	Health Research and Policy
David	Kingsley	Professor	Developmental Biology
Anne	Kiremidjian	Professor	Civil and Environmental Engineering
Peter	Kitanidis	Professor	Civil and Environmental Engineering
Steven	Kivelson	Professor	Physics
Richard	Klein	Professor	Anthropology
Simon	Klemperer	Professor	Geophysics
Rosemary	Knight	Professor	Geophysics
Brian	Knutson	Associate Professor	Psychology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences, Symbolic Systems
Alexandra	Konings	Assistant Professor	Earth System Science
Cheryl	Koopman	Professor	Psychiatry and Behavioral Sciences
Jeffrey	Koseff	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Anthony	Kovscek	Professor	Energy Resources Engineering, Emmett Interdisciplinary Program in Environment and Resources
Christoforos	Kozyrakis	Associate Professor	Computer Science
David	Kreps	Professor	Graduate School of Business
Ilan	Kroo	Professor	Aeronautics and Astronautics
Jon	Krosnick	Professor	Political Science, Public Policy
Ware	Kuschner	Associate Professor	Medicine
Desiree	LaBeaud	Associate Professor	Pediatrics, Emmett Interdisciplinary Program in Environment and Resources
Sanjay	Lall	Associate Professor	Aeronautics and Astronautics
Eric	Lambin	Provostial Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Kincho	Law	Professor	Civil and Environmental Engineering
James	Leckie	Professor	Civil and Environmental Engineering
Haiyan	Lee	Professor	East Asian Languages and Cultures, Feminist, Gender & Sexuality Studies, Comparative Literature
Hau	Lee	Professor	Graduate School of Business, Emmett Interdisciplinary Program in Environment and Resources

Larry	Leifer	Professor	Earth Systems
Sanjiva	Lele	Professor	Aeronautics and Astronautics, Computational and Mathematical Engineering
David	Lentink	Assistant Professor	Mechanical Engineering
Michael	Lepech	Associate Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Jonathan	Levav	Associate Professor	Graduate School of Business
Margaret	Levi	Professor	Political Science, Ethics in Society
Philip	Levis	Associate Professor	Computer Science
Raymond	Levitt	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources, Urban Studies
Aaron	Lindenberg	Assistant Professor	Materials Science and Engineering
Christian	Linder	Assistant Professor	Civil and Environmental Engineering
Phillip	Lipscy	Assistant Professor	Political Science
Li	Liu	Professor	East Asian Languages and Cultures, Archaeology
Keith	Loague	Professor	Geological Sciences
David	Lobell	Associate Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Helen	Longino	Professor	Feminist, Gender and Sexuality Studies, Modern Thought & Literature, Science, Technology & Society
Diana	Looser	Assistant Professor	Theater and Performance Studies
Christopher	Lowe	Assistant Professor	Biology, Stanford Biosciences
Donald	Lowe	Professor	Geological Sciences
Prashant	Loyalka	Assistant Professor (Research)	Education
Stephen	Luby	Professor	Medicine, Emmett Interdisciplinary Program in Environment and Resources
Richard	Luthy	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
Erin	MacDonald	Assistant Professor	Mechanical Engineering
Beatriz	Magaloni	Associate Professor	Civil and Environmental Engineering
Kate	Maher	Assistant Professor	Geological Sciences
Gail	Mahood	Professor	Geological Sciences, Archaeology
Arun	Majumdar	Professor	Mechanical Engineering
Neil	Malhotra	Associate Professor	Graduate School of Business
Ali	Mani	Assistant Professor	Mechanical Engineering
Hari	Manoharan	Associate Professor	Physics
Wendy	Mao	Assistant Professor	Geological Sciences
Thomas	Markland	Assistant Professor	Chemistry

Gilbert	Masters	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources
AC	Matin	Professor	Microbiology and Immunology
Pamela	Matson	Dean, Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources, Public Policy, Urban Studies
Gary	Mavko	Professor (Research)	Geophysics
Doug	McAdam	Professor	Sociology, Emmett Interdisciplinary Program in Environment and Resources, Modern Thought & Literature, Urban Studies
Perry	McCarty	Professor	Civil and Environmental Engineering
Daniel	McFarland	Professor	Education, Emmett Interdisciplinary Program in Environment and Resources, Urban Studies
Michael	McFaul	Professor	Political Science
Michael	McGehee	Associate Professor	Materials Science and Engineering, Emmett Interdisciplinary Program in Environment and Resources
Paul	McIntyre	Professor	Materials Science and Engineering
Michelle	Mello	Professor	Health Research and Policy, Law, Ethics in Society
Nicholas	Melosh	Associate Professor	Materials Science and Engineering
Lynn	Meskell	Professor	Anthropology, Archaeology, Modern Thought & Literature
Anna	Michalak	Associate Professor	Earth Systems, Emmett Interdisciplinary Program in Environment and Resources
Fiorenza	Micheli	Professor	Anthropology, Emmett Interdisciplinary Program in Environment and Resources
Dale	Miller	Professor	Graduate School of Business, Emmett Interdisciplinary Program in Environment and Resources
Elizabeth	Miller	Professor	Geological Sciences
Grant	Miller	Associate Professor	Medicine, Emmett Interdisciplinary Program in Environment and Resources, Public Policy
Norman	Miller	Assistant Professor	Biology
Eduardo	Miranda	Associate Professor	Civil and Environmental Engineering
William	Mitch	Associate Professor	Civil and Environmental Engineering
Reginald	Mitchell	Professor	Mechanical Engineering
Parviz	Moin	Professor	Mechanical Engineering
Kathryn	Moler	Professor	Applied Physics
Stephen	Monismith	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources

Andrea	Montanari	Associate Professor	Electrical Engineering
Harold	Mooney	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources
Erin	Mordecai	Assistant Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Tapan	Mukerji	Associate Professor (Research)	Energy Resources Engineering
Clayton	Nall	Assistant Professor	Political Science, American Studies, Emmett Interdisciplinary Program in Environment and Resources, Urban Studies
Rosamond	Naylor	Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary Program in Environment and Resources
Drew	Nelson	Professor	Mechanical Engineering
Lorene	Nelson	Associate Professor	Health Research and Policy
Andrew	Ng	Associate Professor	Computer Science
Andrea	Nightingale	Professor	Classics
Anders	Nilsson	Professor	Particle Physics and Astrophysics (SLAC)
Yoshio	Nishi	Professor	Electrical Engineering
Jens	Norskov	Professor	Chemical Engineering
Roeland	Nusse	Professor	Developmental Biology
Jean	Oi	Professor	Political Science
Franklin	Orr	Professor	Energy Resources Engineering
Leonard	Ortolano	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources, Urban Studies
Jonathan	Osborne	Professor	Education
Nick	Ouellette	Associate Professor	Civil and Environmental Engineering
Stephen	Palumbi	Professor	Civil and Environmental Engineering, Emmett Interdisciplinary Program in Environment and Resources, Public Policy, Stanford Biosciences
David	Palumbo-Liu	Professor	Comparative Literature, English
Julie	Parsonnet	Professor	Health Research and Policy
M Elisabeth	Pate-Cornell	Professor	Management Science and Engineering
Jonathan	Payne	Associate Professor	Geological Sciences
Roy	Pea	Professor	Education, Symbolic Systems
Kabir	Peay	Assistant Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources
William	Perry	Professor	Management Science and Engineering
Dmitri	Petrov	Professor	Earth Systems
Piero	Pianetta	Professor (Research)	Electrical Engineering
Phil	Pizzo	Professor	Microbiology and Immunology

Erica	Plambeck	Associate Professor	Graduate School of Business, Emmett Interdisciplinary Program in Environment and Resources, Public Policy
Jim	Plummer	Professor	Electrical Engineering
David	Pollard	Professor	Geological Sciences
Ada	Poon	Assistant Professor	Electrical Engineering
Eric	Pop	Professor	Electrical Engineering
Walter	Powell	Professor	Education, Emmett Interdisciplinary Program in Environment and Resources, Public Policy, Science, Technology & Society
Balaji	Prabhakar	Professor	Computer Science
Manu	Prakash	Assistant Professor	Bioengineering
John	Pringle	Professor	Genetics, Stanford Biosciences
Friedrich	Prinz	Professor	Management Science and Engineering
Beth	Pruitt	Associate Professor	Mechanical Engineering, Stanford Biosciences
Xialiang	Qi	Assistant Professor	Physics
Srinivas	Raghu	Assistant Professor	Physics
Ram	Rajagopal	Assistant Professor	Civil and Environmental Engineering, Emmett Interdisciplinary
Bala	Rajaratnam	Assistant Professor	Statistics, Earth Systems Science
Francisco	Ramirez	Professor	Education
Ian	Randal Fisher	Professor	Applied Physics
Aruna	Ranganathan	Assistant Professor	Graduate School of Business
Hayagreeva	Rao	Professor	Graduate School of Business, Emmett Interdisciplinary Program in
Evan	Reed	Assistant Professor	Materials Science and Engineering
Byron	Reeves	Professor	Communication, Symbolic Systems
Mar	Reguant	Assistant Professor	Graduate School of Business
Rob	Reich	Associate Professor	Political Science, Ethics in Society, Modern Thought & Literature,
Stefan	Reichelstein	Professor	Graduate School of Business, Emmett Interdisciplinary Program in Environment and Resources
Dan	Reicher	Professor	Law, Emmett Interdisciplinary Program in Environment and Resources
Martin	Reinhard	Professor (Research)	Civil and Environmental Engineering
David	Reis	Associate Professor	Applied Physics
Peter	Reiss	Professor	Graduate School of Business
Deborah	Rhode	Professor	Law
Burton	Richter	Professor	Graduate School of Business
John	Rick	Associate Professor	Anthropology, Archaeology
Juan	Rivas-Davila	Assistant Professor	Electrical Engineering

Thomas	Robinson	Professor	Pediatrics, Emmett Interdisciplinary Program in Environment and
Terry	Root	Professor	Biology
Alberto	Salleo	Associate Professor	Materials Science and Engineering
Joel	Samoff	Professor	African & African American Studies
Juan	Santiago	Professor	Mechanical Engineering
Robert	Sapolsky	Professor	Biology, Neurology & Neurological Sciences, Neurosurgery, Emmett
Krishna	Saraswat	Professor	Electrical Engineering
Elizabeth	Sattely	Assistant Professor	Chemical Engineering
Debra	Satz	Professor	Philosophy, Emmett Interdisciplinary Program in Environment and
Kenneth	Scheve	Professor	Political Science, Stanford Global Studies
Londa	Schiebinger	Professor	History, Modern Thought & Literature, Science, Technology &
Gary	Schoolnik	Professor	Medicine, Emmett Interdisciplinary Program in Environment and Resources
Dustin	Schroeder	Assistant Professor	Geophysics
Kenneth	Schultz	Professor	Political Science, Emmett Interdisciplinary Program in Environment
Krish	Seetah	Assistant Professor	Anthropology, Archaeology, Emmett Interdisciplinary Program in Environment and Resources
Paul	Segall	Professor	Geophysics
Debbi	Senesky	Assistant Professor	Aeronautics and Astronautics
Ross	Shachter	Associate Professor	Management Science and Engineering
Michael	Shanks	Professor	Classics, Archaeology, Science, Technology & Society, Urban Studies
Eric	Shaqfeh	Professor	Chemical Engineering
Zhi-Xun	Shen	Professor	Physics
Sheri	Sheppard	Professor	Mechanical Engineering
Baba	Shiv	Professor	Graduate School of Business, Public Policy, Symbolic Systems
Robert	Sinclair	Professor	Materials Science and Engineering
Upinder	Singh	Associate Professor	Microbiology and Immunology
Deborah	Sivas	Professor	Law, Emmett Interdisciplinary Program in Environment and
Norman	Sleep	Professor	Geophysics
Christina	Smolke	Associate Professor	Bioengineering
Brent	Sockness	Associate Professor	Religious Studies, Ethics in Society, German Studies, Philosophy
Olav	Solgaard	Professor	Electrical Engineering
Edward	Solomon	Professor	Chemistry
George	Somero	Professor	Electrical Engineering

Sarah	Soule	Professor	Graduate School of Business, Emmett Interdisciplinary Program in
Andrew	Spakowitz	Assistant Professor	Chemical Engineering
Erik	Sperling	Assistant Professor	Geological Sciences
Alfred	Sporman	Professor	Chemical Engineering
Daniel	Stack	Associate Professor	Chemistry
Tim	Stearns	Professor	Genetics
Jonathan	Stebbins	Professor	Geological Sciences
Stephen	Stedman	Professor	Political Science, Emmett Interdisciplinary Program in Environment
Robert	Street	Professor	Civil and Environmental Engineering
Jeff	Strnad	Professor	Law, Public Policy
Jenny	Suckale	Assistant Professor	Geophysics, Emmett Interdisciplinary Program in Environment and
James	Swartz	Professor	Bioengineering
James	Sweeney	Professor	Management Science and Engineering, Emmett Interdisciplinary
Paul	Switzer	Professor	Statistics
Sindy	Tang	Assistant Professor	Mechanical Engineering
Clyde	Tatum	Professor	Civil and Environmental Engineering
Hamdi	Tchelepi	Professor	Energy Resources Engineering
Leif	Thomas	Associate Professor	Earth Systems, Earth Systems Science, Emmett Interdisciplinary
Stuart	Thompson	Professor	Biology, Stanford Biosciences
Barton	Thompson	Professor	Law, Emmett Interdisciplinary Program in Environment and
Fouad	Tobagi	Professor	Electrical Engineering
Michael	Tomz	Professor	Political Science, Public Policy, Stanford Global Studies
Edison	Tse	Associate Professor	Management Science and Engineering
Shripad	Tuljapurkar	Professor	Law, Emmett Interdisciplinary Program in Environment and
Benjamin	Van Roy	Professor	Electrical Engineering, Computational and Mathematical Engineering
Tiziana	Vanorio	Assistant Professor	Geophysics
Elisabetta	Viani Puglisi	Assistant Professor	Structural Biology
Peter	Vitousek	Professor	Biology, Emmett Interdisciplinary Program in Environment and Resources, Stanford Biosciences
Jelena	Vuckovic	Professor	Electrical Engineering
Virginia	Walbot	Professor	Biology
Greg	Walton	Assistant Professor	Psychology, Public Policy

Brian	Wandell	Professor	Psychology, Stanford Biosciences, Symbolic Systems
Thomas	Wandless	Professor	Chemical and Systems Biology, Stanford Biosciences
Hai	Wang	Professor	Mechanical Engineering
Shan	Wang	Professor	Materials Science and Engineering
Michael	Wara	Associate Professor	Law, Emmett Interdisciplinary Program in Environment and Resources, Public Policy
Robert	Waymouth	Professor	Chemistry
Lawrence	Wein	Professor	Graduate School of Business
Barry	Weingast	Professor	Chemical Engineering, Public Policy
Jeremy	Weinstein	Professor	Political Science, Emmett Interdisciplinary Program in Environment and Resources, Public Policy, Stanford Global Studies
Paula	Welander	Assistant Professor	Earth Systems, Earth Systems Science, Stanford Biosciences
John	Weyant	Professor (Research)	Management Science and Engineering, Emmett Interdisciplinary Program in Environment and Resources, Public Policy
Richard	White	Professor	History, Emmett Interdisciplinary Program in Environment and Resources, Modern Thought & Literature
Carl	Wieman	Professor	Physics, Education
Jennifer	Wilcox	Assistant Professor	Energy Resources Engineering
Michael	Wilcox	Associate Professor	Anthropology, Emmett Interdisciplinary Program in Environment and Resources
Paul	Wise	Professor	Health Research and Policy
Frank	Wolak	Professor	Economics, Public Policy
Mikael	Wolfe	Assistant Professor	History, Emmett Interdisciplinary Program in Environment and Resources
H.S. Philip	Wong	Professor	Electrical Engineering
S. Simon	Wong	Professor	Electrical Engineering
Shan	Xiang Wang	Professor	Materials Science and Engineering
Kuang	Xu	Assistant Professor	Graduate School of Business
Yinyu	Ye	Professor	Management Science and Engineering, Computational and Mathematical Engineering
Richard	Zare	Professor	Chemistry
Howard	Zebker	Professor	Electrical Engineering
Stefanos	Zenios	Professor	Graduate School of Business
Shoucheng	Zhang	Professor	Physics
Xiaolin	Zheng	Assistant Professor	Mechanical Engineering
Mark	Zoback	Professor	Geophysics, Emmett Interdisciplinary Program in Environment and Resources
