

RE: Golden day of Service

Hi Rob,

The Golden Day of Service is an absolutely brilliant concept. What a simple, yet innovative way for employees to really connect and engage with their community. It is like taking the concept of, "Pay it forward," to a whole new level. If we had to add another national holiday in Canada, my vote would be for the Golden Day of Service.

Impact Kelowna would be honoured to help promote your event next year.

Sincerely,
