

R.E.A.L. PROJECTS

real experience applied learning

Project-Based, On-Campus, Team-Oriented **INTERNSHIPS!**

One of the [R.E.A.L. Projects](#) being offered
Fall semester 2021 is in need of your skills!

Ogden City and the WSU Sustainability are trying to determine
the feasibility of Electric Vehicle charging stations in Ogden.

Questions the project team will find the answers to include

1. Does it make sense for the City to install EV charging stations?
2. If it makes sense, where should stations be placed and why?
3. What types of stations should the City consider?
4. Should they charge for use or not charge and why?
5. What funding sources might be available

The employer mentors are looking for skills from the following areas

Geography | Planning and GIS

Automotive | Engineering

Business | Financing

Marketing | Communications

*If this sounds like a project you can contribute to, **register today!***

HNRS 4920 CRN 26583 or 26584

R.E.A.L. Projects counts as general elective credit. Please speak to your
program advisor to see if it can count toward other credit requirements or if it can
substitute for another internship course. This will vary by department.
