## RAMS AGAINST HUNGER: FOOD RECOVERY – SUBSCRIBE

The Ram Food Recovery program is intended to reduce waste and support members of the campus community who are experiencing food insecurity by making food leftover from Housing & Dining Services catered events available for pick-up. By registering below, you will receive an alert when food is available. To ensure food safety and allow catering staff to break down events in a timely fashion, pick-ups will be limited to 30 minutes after the event ends. To participate, sign up below and provide your cell phone number for text alerts. **Please note that participants are responsible for bringing their own container, which must be clean and free of contaminants, and must agree to the [waiver and food safety guidelines](#) to participate.**
