Dear Jay,

Congratulations to University of Tennessee, Knoxville on receiving the Bicycle Friendly University designation at the Bronze level! This award is presented only to campuses with remarkable commitments to bicycling.

Enclosed you will find your 2022 Bicycle Friendly University Award Certificate, which we hope will be proudly displayed to celebrate your institution's commitment to being an active, healthy, and environmentally responsible campus through its support of bicycling. If you would like to order additional materials such as Bicycle Friendly University road signs, duplicate BFU certificates, or Smart Cycling educational materials such as the enclosed *Smart Cycling Quick Guides*, please visit www.bikeleague.org/bfustore.

Your 2022 Bronze BFU award status will be promoted by the League for four years, after which time your designation must be renewed. You will be reminded via email prior to the 2026 BFU application deadline. If, however, you make significant improvements within the four-year period and would like to apply for a higher designation sooner, we welcome your renewal application at any time.

Once again, congratulations on your efforts to create a great Bicycle Friendly University.

Sincerely,

Amelia Neptune
