### Elon University Sustainability Survey: Students

Please take 10 minutes or less to complete a survey to assess attitudes and behaviors of **Elon University students** related to sustainability. We value your input! Results from your participation will help shape Elon University's sustainability initiatives. The survey is being conducted by the Environmental Advisory Council and Office of Sustainability. Responses are anonymous, and all results will be reported in summary form and in no way will results be released that can identify any individual.

By continuing with this survey you acknowledge that you have read this information and agree to participate in this voluntary study.

Should you have questions about the survey, please feel free to contact the Office of Sustainability directly at [sustainability@elon.edu](mailto:sustainability@elon.edu) or 336-278-5229.

Thank you for your participation!
