RE: STARS submission

Dear STARS Review Committee,

Cascadia College is submitting our first Sustainability Tracking, Assessment and Rating System report as one of several ongoing efforts to improve sustainable practices on campus. Cascadia's values include collaboration, innovation, environmental sustainability, global awareness and responsiveness and our efforts to assess and improve sustainability on campus is one way that we live these values. We look forward to seeing our score continuously improve as we submit future reports.

Please contact me with any questions.

Sincerely,
